BRAINERD RADIO PROGRAM WAS BIG SUCCESS

LOCAL ARTISTS BROADCAST VERY FINE PROGRAM

ONE OF THE MOST SUCCESSFUL
EVER RELEASED BY
WCCO

BRAINERD IS JUSTLY PROUD OF
THE FINE SHOWING
MADE

"The Brainerd Radio Program was a wonderful one, and we feel that Brainerd is now a member of the Gold Medal Family," said Harry Wilbern, manager of WCCO station.

"It is one of the most successful program this station has ever broadcast. All responded promptly and like clockwork," continued the manager. "The artists making up this program will all be welcome at this station. We hope this will not be the last we shall hear from Brainerd. The town has proved to the world what we have always known, that it is the home of real talent and culture. We sincerely hope this has served to weld another link in the chain of friendly relations that brings Brainerd to the Twin Cities."

Brainerd is well satisfied with the manner in which the city was represented in the radio program broadcast on Friday evening from WCCO, the Gold Medal station, St. Paul-Minneapolis, and is proud of the local talent who gave of their time, their money and their efforts to make "Brainerd Night" the great success which everyone concedes it to be.

The big majority of local citizens had anticipated this event with a keen interest, those who had received sets in their homes invited their less fortunate friends to "listen in" on the Brainerd artists, and as a result there were a great many radio parties. The Brainerd Electric Co., the Electric Shop and the Taylor Sales Service held open house for all who cared to hear the program, and the Lyceum theatre installed a receiving set especially for the occasion.

WCCO was heard with little difficulty by most local people with receiving sets. There was very little static on Friday night to interfere with the reception, but quite a little trouble was experienced from the small regenerative sets in the city, which cause considerable howling as they are tuning in to the station.

Brainerd's program began promptly at 7:30 o'clock, as scheduled. The announcer made a short talk explaining the plan of WCCO to broadcast programs from various cities throughout the Northwest, and spoke briefly on Brainerd and its civic spirit.

County Attorney Walter F. Wieland was first introduced, who gave a five-minute talk on "Brainerd and Its Resources." Mr. Wieland's address came in very clearly, and was a very fitting introduction to the program which followed.

There were four addresses interspersed throughout the program, the other three being delivered by County Agent E. G. Roth, on the subject, "Development of Dairying, Farming Tributary to Brainerd," by R. R. Wise, president of the 10,000 Lakes of Minnesota Association, on "Our Lake Country," and by John A. Hoffbauer, of the Dispatch, on "Brainerd as a Convention City." All of these addresses are being published in today's Dispatch, for the benefit of any who did not hear them last night. It is suggested that the readers of this paper secure extra copies to send to out-of-town friends.

The musical portion of the program was of a diversified character planned to please every taste. Hedstrom's U. C. T. orchestra opened this part of the program with two dance numbers, "Blue Eyed Sally" and "Where's My Sweetie Hiding?" The music that this orchestra furnished received many high compliments, the consensus of opinion being that it was just as good as that furnished by any of the large city dance organizations.

The Elks Trio, S. F. Alderman, bass, A. C. Mraz, baritone, and Rowland G. Jenkins, tenor, sang four numbers, "Granger John," "Carry Me Back to Ol' Virginny," "Old Satchel" (Continued on Page 6)

Greece Severs Diplomatic Relations With Turkey

ENTIRE CREW OF GOVERNMENT SHIP LOST IN STORM

(By United Press)
Rangoon, Burma, Jan. 31.—Ninety members of the crew of the Indian government sloop Elphinstone are missing today following total wreck of the sloop on the Nicobar Islands in the Indian Ocean.

A terrific storm drove the ship ashore and many of the crew managed to cling to lifeboats, which were lost in the gale. None has been reported safe.

90 MEMBERS OF CREW ARE RESCUED

Rangoon, Burma, Jan. 31.—A survey ship of the Indian government today rescued 90 members of the crew of the sloop Elphinstone, which was wrecked in the Indian Ocean.

SEVEN DEATHS INCREASE TOLL OF N. Y. STORM

CITIES IN THE EMPIRE STATE STATE BURIED IN SNOW

MANY SMALL SHIPS IN DISTRESS ON THE ATLANTIC COAST

(By United Press)
New York, Jan. 31.—Seven more deaths, directly or indirectly attributed to the storm which today had greatly abated, were reported in New York state alone during the last 24 hours.

A man was frozen to death, a two-year-old child died from exposure, at East Syracuse. This city, East Poestenkill and Cazenovia each reported one death from exposure. Two men were killed near Saratoga Springs when crossing a lake in a storm.

While the storm was felt throughout the east, the Empire State was the heaviest sufferer.

Several small ships were reported in distress off the Atlantic coast. Virtually all trains were running far behind schedule, one arriving at Syracuse nine hours late. Traffic here was demoralized. Ferry service in some sections was at a standstill because of the massed ice floes. Numerous accidents occurred.

Up-state cities were literally buried in the snow. Syracuse reported 34 inches. Ithaca got 36 inches in 18 hours. In Auburn scores of snow-laden roofs collapsed and stores, schools and factories were closed as the city was without train or trolley service.

CONGRESS ENACTS FARM RELIEF BILL

PRES. COOLIDGE'S WISHES ARE TO BE INCLUDED IN BILL

(By United Press)
Washington, Jan. 31.—Wheels were set in motion in both houses of Congress today to enact a farm relief bill in accordance with the wishes of President Coolidge before adjournment March 4.

Senator Capper, Kansas republican, farm bloc leader, introduced a bill which would encourage further co-operative marketing of agricultural products along lines laid down by the president's agricultural commission.

Immediate steps were taken to rush through the agricultural committee, Chairman Norris announcing a meeting to be held next week to take up the measure. Simultaneously the bill was introduced in the House by Representative Williams, Ill., republican, and a meeting of the House agricultural committee called for Monday to begin its consideration.

FOUND GUILTY FORBES APPEALS FOR NEW TRIAL

HEARING ON APPEAL TO BE
HEARD ON NEXT
WEDNESDAY

TO GO TO SUPREME COURT IF
APPEAL IS DENIED

(By United Press)
Chicago, Jan. 31.—Appeal for a new trial was prepared today for Col. Chas. R. Forbes, former head of the Veterans' Bureau, and John W. Thompson, St. Louis contractor, found guilty by a federal jury last night on a charge of conspiring to defraud the government in the Bureau's hospitalization contracts. Hearing on the appeal will be held Wednesday and if the appeal is denied the case will be taken to the United States Supreme Court, it was announced.

Up to an hour of the time the jury brought in its verdict Forbes and Thompson and their attorneys were confident of acquittal. Then a question asked by the jury of Federal Judge Carpenter gave them a hint of the verdict to come, but even then the words guilty as charged stunned the defendants. Forbes' ruddy cheeks paled and he trembled. Thompson slumped and seemed stricken rigid. Quickly their attorneys approached and whispered encouragement. Jas. Hamilton Lewis, former senator from Illinois and attorney for Thompson, slapped his client on the back.

"We'll keep on fighting," he said. Elwood Goodman, attorney for Forbes, whispered words of encouragement to him.

The jury was out nearly six hours and took 12 ballots. Under the verdict Forbes and Thompson are liable to a maximum sentence of 2 years in the penitentiary and \$10,000 fine. They are at liberty under \$10,000 bond each.

ANTI-POLLUTION OF STATE WATERS

CONGRESS TO BE ASKED FOR DRASTIC ACTION IN MATTER

(By United Press)
St. Paul, Minn., Jan. 31.—Drastic anti-pollution legislation for the protection of state waters will be sought in the national Congress.

This was indicated at the capitol today when it was learned a joint senate and house resolution is being prepared by the attorney general memorializing Congress to take steps to strengthen protection against pollution of streams and lakes by municipalities and industries using state waters for sewage disposal.

Recommendation for such legislation is contained in the biennial report of the state game and fish commissioner.

STATE LEADS IN TRADE REVIVAL

Minneapolis, Jan. 31.—Minnesota leads the states of the ninth federal reserve district in point of business revival for the last year.

This is the statement of T. G. Morgan, member of the Associated Advertising Clubs of the World, in an address before the fifth district national advertising commission, at Detroit yesterday.

Mr. Morgan's statement was based on first-hand information obtained from business associates in the states of the ninth federal reserve district. Minnesota gained more than 42 per cent of normal business and agricultural activity during the past year, he pointed out.

The farmer and the manufacturer have learned their lessons of strict economy, Mr. Morgan told the advertising men, and with these lessons learned, they look forward to better conditions generally in the future.

HOUSE RESENTS SENATE'S ACTION IN POSTAL BILL

(By United Press)
Washington, Jan. 31.—The House ways and means committee today reported out a resolution recommending that the House return the postal salaries bill to the Senate.

The resolution declared the Senate, in originating the postal bill, had "infringed" on the constitutional right of the House to originate revenue bills.

36-APARTMENT BUILDING MASS OF FIRE RUINS

THREE BODIES VISIBLE IN THE BLACKENED DEBRIS AND WRECKAGE

FIRE STARTED IN BASEMENT FROM OVER-HEATED FURNACE

(By United Press)
Chicago, Jan. 31.—Ten persons were believed burned to death in a fire which gutted a 36-apartment building on the south side today. Five bodies were removed and police believe five others are in the flames.

The bodies of Anthony Harding, 22, his wife, 24, and Doris, 19-month-old daughter, were found huddled in their apartment. The body of Loretta Brayer, 18, was removed. Apparently she was asphyxiated while groping her way through smoke.

Police and firemen believe Miss Brayer accounts for one of the six other victims. A hasty checkup accounted for the rest of the occupants.

Four persons were seriously hurt and two others were badly injured. But for the heroic work of firemen and police casualties would have been much greater.

Horace McLean, Sixteenth Battalion fireman, lead a score of firemen and police in a search of the building and directed the rescue of many persons trapped in their beds.

Several persons jumped from their windows but no one was seriously hurt. Stephen and Mrs. Collier and their 9-year-old daughter Elizabeth were carried from their apartment, badly burned. Mrs. Elizabeth Earl, 46, also is in serious condition from burns and bruises.

The fire started in the basement from an overheated furnace, police believe.

The building is a mass of ruins and the heat so intense firemen cannot penetrate them. Three bodies are visible in the blackened debris.

The body of a fifth victim, a woman, was recovered from the ruins at 9 a. m. Flames were still sweeping the ruins, making it impossible for firemen to make much progress in their search for more bodies.

LIST OF DEAD IS INCREASED

Chicago, Jan. 31.—Eight known dead was the largest count today by firemen in the blaze which swept a 36-apartment building on the south side here.

Five bodies have been recovered. Three are visible in the smoking ruins, and it is believed two or three bodies are buried under ashes and debris.

Thirty persons were injured. Five may die. But for the quick thinking of two telephone operators and the heroism of several college students and firemen and police the casualties would be much higher.

CONVICT ENDS LIFE IN PRISON CELL

(By United Press)

Stillwater, Minn., Jan. 31.—Bronislaw Pietrzak, 32, serving a life sentence in the state penitentiary for wife murder, killed himself by hanging today. He made a noose of his shoe strings and hanged himself in his cell room.

He was sentenced from Minneapolis January 1.

ALASKA CHAMPION DOG TEAM DRIVER MAKES FAST TIME

KALTAY AND KASSEN MAKE A
FINAL DASH FOR
NOME

HOPE TO BRING RELIEF TO THE
DIPHTHERIA SUFFERERS

(By United Press)
Nome, Alaska, Jan. 31.—Relief of Nome's threatened epidemic of diphtheria was drawing almost in sight today.

Last advices reported Leonard Seppala, champion dog team driver of Alaska, forcing his team westward at a point about 100 miles of Kaltay.

Leaving Kaltay late yesterday, he has been driving almost without rest. He has a team of 20 blue-eyed Siberians, known as among the strongest and fastest teams of the north country.

Ganto Kassen, with 15 dogs, left Nome at noon yesterday for Unalakleet, 207 miles east of here, where he will meet Seppala and with his fresh team make the final dash to the stricken city.

NORTHERN LIGHTS CAN BE HEARD

Minneapolis, Jan. 31.—Radio is given much of the credit for the success of the polar expedition conducted by Capt. Donald B. MacMillan, who discussed his explorations at the University of Minnesota armory last night.

Capt. MacMillan told of standing in a bed of flowers nine degrees from the north pole. He said that the northern lights can be heard as well as seen.

The explorer told in interesting fashion his experiences with the Eskimos, of traveling inland with the thermometer 70 degrees below zero and of the effect of radio on arctic explorations.

CHAS. CHAPLIN IN MARITAL TROUBLE

COMEDY KING AND GIRL BRIDE LIVING APART IS RUMOR

(By United Press)
Hollywood, Calif., Jan. 31.—Reports of an estrangement between Charlie Chaplin, comedy king of the screen, and his 16-year-old bride, Lita Gray Chaplin, were stimulated today by information that negotiations are under way looking toward a financial settlement.

That Chaplin is living apart from his girl bride, Lita Gray Chaplin, were stimulated today by information that negotiations are under way looking toward a financial settlement.

That Chaplin is living apart from his girl bride was rumored, but still both principals in Hollywood's latest and most interesting romance, denied the reports. Rumor would not down that the funmaker is making his home with Douglas Fairbanks and Mary Pickford, his close friends.

MAY WHEAT STOPS UPWARD MOVEMENT

(By United Press)

Chicago, Jan. 31.—The sensational upward movement of May wheat appears to have halted temporarily at least. There was comparatively little activity in today's short session, the market closing at \$2.02 3/4 a bushel, 1/4 cent lower than the opening and in turn 3/4 under yesterday's close. There was considerable profit-taking. Trading also was cut down by brokers, who urged caution and insisted on higher margins.

STORM WRECKS EXPRESS TRAIN, KILLING THREE

(By United Press)
Londonderry, Jan. 31.—Crossing the Owenarra viaduct in the desolate Denegal Mountains during a terrific storm the Londonderry-Burtonport express was blown from the rails and wrecked early today, three persons being killed and 10 injured. The train, tossed by the gale, fell over against the stone parapet, which prevented its crashing into the river bed 150 feet below.

Demand for directors and supervisors of home economics education in negro schools and colleges in the South has led to an increase of 300 per cent in the enrollment in the School of Home Economics of Hampton Institute.

GOVERNMENT IS ASKED TO HELP FAMINE VICTIMS

PRESSURE BROUGHT ON IRISH FREE STATE TO INTER- VENE

GOVERNMENT IS ESTIMATING AMOUNT OF RELIEF NEEDED

(By United Press)
Dublin, Jan. 31.—Public pressure was brought upon the Free State government today that it intervene in the famine crisis of the west.

An official statement was being prepared, concretely defining the areas in which the failure of the potato crop has brought on conditions akin to starvation. The government is also attempting to estimate the precise amount of charity relief is needed.

Everything depends upon weather conditions during the remainder of the winter and early spring. Continuous rainfall has blighted the potato crop and deprived thousands of their one source of food, inundating the peat bogs where the peasants are wont to cut their fuel for winter.

Continuation of inclement weather will undoubtedly result in a situation surpassing the worst famine years in Ireland's history. The government is perfecting a map of the famine area showing the "black misery" pockets and sections where the fuel supply is from one-half to two-thirds below normal. Such conditions exist in County Cork, as well as on the west seaboard. Government officials are confident, but it is certain that the present relief fund of 500,000 pounds sterling is insufficient.

Continuation of inclement weather will undoubtedly result in a situation surpassing the worst famine years in Ireland's history. The government is perfecting a map of the famine area showing the "black misery" pockets and sections where the fuel supply is from one-half to two-thirds below normal. Such conditions exist in County Cork, as well as on the west seaboard. Government officials are confident, but it is certain that the present relief fund of 500,000 pounds sterling is insufficient.

DEGENERATE IN FULL CONFESSION

RICHARD HERBERT RELATES HIS ASSAULT ON ST. PAUL GIRL

(By United Press)
St. Paul, Jan. 31.—While his victim lay near death at Ancker hospital, Richard Herbert, 25, today related to police stories of degeneracy which finally led him to jail.

Miss Minnie Forsberg, music teacher, is suffering from a fractured skull and other injuries received when she battled off an attempted assault by Herbert late last night. Physicians said she may die.

Herbert, as an incorrigible youth, was sent to Red Wing training school. He was dismissed from there and married. Soon after he was sued for non-support. Later he was charged with an indecent offense, and the case was settled out of court. Then he was arrested for assault of a companion during a card game.

Today Herbert talked freely of his attempt on Miss Forsberg. He said he was drunk.

ATHENS BUZZES WITH WAR TALK AGAINST ANGORA

TURKEY EXPELS REPRESENTATIVE OF THE GREEK CHURCH

CAUSES WILD SCENES IN THE GREEK CHAMBER OF DEPUTIES

By ANTHONY PAPAYANNAKIS
(United Press Staff Correspondent)
Athens, Jan. 31.—Greece today severed diplomatic relations with Turkey and Athens buzzed with talk of war because the Angora government expelled the Occumenical Patriarchate, which for seven centuries has represented the orthodox Greek church at Constantinople.

Indignation has swept the Greek nation. There were wild scenes in the chamber of deputies today, deputies shouting "Down with Turkey!"

Former Minister of War Pangalos in a stirring public speech declared: "It is only by arms that Turkey can be taught to reason."

It is probable, however, that an appeal will be made to the League of Nations and possibly to other nations, including the United States, against the expulsion.

The Greek nation is in mourning. Church bells throughout the country were tolled today and the president of Greece cancelled a diplomatic banquet. Expulsion by Turkey of the historic patriarchate at Constantinople marks the culmination of the Turkish determination to obliterate the orthodox church in Turkey.

At the Lausanne conference, Turkey, having just defeated the Greeks in war, promised to respect the patriarchate. It is understood here that following recent threats against the Archbishop of Canterbury and leaders of the Christian church generally have brought pressure on the British government to intervene.

The expelled patriarchate and his staff arrived on Greek soil today and was received with great reverence. He may stay at the monastery atop the Holy Mountain in Macedonia.

GREECE APPEALS TO LEAGUE OF NATIONS

Athens, Jan. 31.—Greece today protested to all foreign governments against the expulsion from Constantinople of the venerable Occumenical Patriarch of the Greek Orthodox Church, the Rev. Constantinos.

At the same time the government appealed to the League of Nations to intervene and broke off relations with Turkey, recalling Greek charge d'affaires at Angora.

GASOLINE PRICES UP IN MICHIGAN

(By United Press)
Detroit, Jan. 31.—The third one-cent raise within a week was placed in effect at filling stations of the Standard Oil company of Indiana today, bringing the price to 18.8 cents a gallon. Independent dealers were following with similar increases.

Next week the new Michigan two-cent gasoline tax law goes into effect and further increase in prices will be made, oil men said.

Ohio Gas Advance

Findley, O., Jan. 31.—The Ohio Oil company today announced an advance of 25c per barrel for crude oil.

WISCONSIN SOLONS FOR 2-CENT GAS TAX

Madison, Wis., Jan. 31.—The administration highway bill, which includes a 2-cent gasoline tax and a system of state aid for city, village and rural roads was reported for passage today by the senate highway committee.

All three members of the committee—Sens. Cashman, Keppell and Roethe—concurred in the recommendation.

BRAINERD RADIO PROGRAM WAS BIG SUCCESS

LOCAL ARTISTS BROADCAST VERY FINE PROGRAM

ONE OF THE MOST SUCCESSFUL
EVER RELEASED BY
WCCO

BRAINERD IS JUSTLY PROUD OF
THE FINE SHOWING
MADE

"The Brainerd Radio Program was a wonderful one, and we feel that Brainerd is now a member of the Gold Medal Family," said Harry Wilbern, manager of WCCO.

"It is one of the most successful program this station has ever broadcast. All responded promptly and like clockwork," continued the manager. "The artists making up this program will always be welcome at this station. We hope this will not be the last we shall hear from Brainerd. The town has proved to the world what we have always known, that it is the home of real talent and culture. We sincerely hope this has served to weld another link in the chain of friendly relations that brings Brainerd to the Twin Cities."

Brainerd is well satisfied with the manner in which the city was represented in the radio program broadcast on Friday evening from WCCO, the Gold Medal station, St. Paul-Minneapolis, and is proud of the local talent who gave of their time, their money and their efforts to make "Brainerd Night" the great success which everyone concedes it to be.

The big majority of local citizens had anticipated this event with a keen interest, those who had receiving sets in their homes invited their less fortunate friends to "listen in" on the Brainerd artists, and as a result there were a great many radio parties. The Brainerd Electric Co., the Electric Shop and the Taylor Sales Service held open house for all who cared to hear the program, and the Lyceum theatre installed a receiving set especially for the occasion.

WCCO was heard with little difficulty by most local people with receiving sets. There was very little static on Friday night to interfere with the reception, but quite a little trouble was experienced from the small regenerative sets in the city, which cause considerable howling as they are tuning in to the station.

Brainerd's program began promptly at 7:30 o'clock, as scheduled. The announcer made a short talk explaining the plan of WCCO to broadcast programs from various cities throughout the Northwest, and spoke briefly on Brainerd and its civic spirit.

County Attorney Walter F. Wieland was first introduced, who gave a five-minute talk on "Brainerd and Its Resources." Mr. Wieland's address came in very clearly, and was a very fitting introduction to the program which followed.

There were four addresses interspersed throughout the program, the other three being delivered by County Agent E. G. Roth, on the subject, "Development of Dairying, Farming, Tributary to Brainerd;" by R. R. Wise, president of the 10,000 Lakes of Minnesota Association, on "Our Lake Country," and by John A. Hoffbauer, of the Dispatch, on "Brainerd as a Convention City." All of these addresses are being published in today's Dispatch, for the benefit of any who did not hear them last night. It is suggested that the readers of this paper secure extra copies to send to out-of-town friends.

The musical portion of the program was of a diversified character planned to please every taste. Hedstrom's U. C. T. orchestra opened this part of the program with two dance numbers, "Blue Eyed Sally" and "Where's My Sweetie Hiding?" The music that this orchestra furnished received many high compliments, the consensus of opinion being that it was just as good as that furnished by any of the large city dance organizations.

The Elks Trio, S. F. Alderman, bass, A. C. Mraz, baritone, and Rowland G. Jenkins, tenor, sang four numbers, "Granger John," "Carry Me Back to Ol' Virginny," "Old Saturday Night," and "The Old Folks at Home."

Greece Severs Diplomatic Relations With Turkey

ENTIRE CREW OF GOVERNMENT SHIP LOST IN STORM

(By United Press)
Rangoon, Burma, Jan. 31.—Ninety members of the crew of the Indian government sloop Elphinstone are missing today following total wreck of the sloop on the Kiochar Islands in the Indian Ocean.

A terrific storm drove the ship ashore and many of the crew managed to cling to lifeboats, which were lost in the gale. None has been reported safe.

90 MEMBERS OF CREW ARE RESCUED

Rangoon, Burma, Jan. 31.—A survey ship of the Indian government today rescued 90 members of the crew of the sloop Elphinstone, which was wrecked in the Indian Ocean.

SEVEN DEATHS INCREASE TOLL OF N. Y. STORM

CITIES IN THE EMPIRE STATE STATE BURIED IN SNOW

MANY SMALL SHIPS IN DISTRESS ON THE ATLANTIC COAST

(By United Press)
New York, Jan. 31.—Seven more deaths, directly or indirectly attributed to the storm which today had greatly abated, were reported in New York state alone during the last 24 hours.

A man was frozen to death, a two-year-old child died from exposure, at East Syracuse. This city, East Poestenkill and Cazenovia each reported one death from exposure. Two men were killed near Saratoga Springs when crossing a lake in a storm.

While the storm was felt throughout the east, the Empire State was the heaviest sufferer.

Several small ships were reported in distress off the Atlantic coast. Virtually all trains were running far behind schedule, one arriving at Syracuse nine hours late. Traffic here was demoralized. Ferry service in some sections was at a standstill because of the massed ice floes. Numerous accidents occurred.

Up-state cities were literally buried in the snow. Syracuse reported 34 inches. Ithaca got 35 inches in 18 hours. In Auburn scores of snow-laden roofs collapsed and stores, schools and factories were closed as the city was without train or trolley service.

CONGRESS ENACTS FARM RELIEF BILL

PRES. COOLIDGE'S WISHES ARE TO BE INCLUDED IN BILL

(By United Press)
Washington, Jan. 31.—Wheels were set in motion in both houses of Congress today to enact a farm relief bill in accordance with the wishes of President Coolidge before adjournment March 4.

Senator Capper, Kansas republican, farm bloc leader, introduced a bill which would encourage further co-operative marketing of agricultural products along lines laid down by the president's agricultural commission.

Immediate steps were taken to rush through the agricultural committee, Chairman Norris announcing a meeting to be held next week to take up the measure. Simultaneously the bill was introduced in the House by Representative Williams, Ill., republican, and a meeting of the House agricultural committee called for Monday to begin its consideration.

FOUND GUILTY FORBES APPEALS FOR NEW TRIAL

HEARING ON APPEAL TO BE HEARD ON NEXT WEDNESDAY

TO GO TO SUPREME COURT IF APPEAL IS DE- NIED

(By United Press)
Chicago, Jan. 31.—Appeal for a new trial was prepared today for Col. Chas. R. Forbes, former head of the Veterans' Bureau, and John W. Thompson, St. Louis contractor, found guilty by a federal jury last night on a charge of conspiring to defraud the government in the Bureau's hospitalization contracts. Hearing on the appeal will be held Wednesday and if the appeal is denied the case will be taken to the United States Supreme Court, it was announced.

Up to an hour of the time the jury brought in its verdict Forbes and Thompson and their attorneys were confident of acquittal. Then a question asked by the jury of Federal Judge Carpenter gave them a hint of the verdict to come, but even then the words guilty as charged stunned the defendants. Forbes' ruddy cheeks paled and he trembled. Thompson paled and seemed stricken rigid. Quickly their attorneys approached and whispered encouragement. Jas. Hamilton Lewis, former senator from Illinois and attorney for Thompson, slapped his client on the back.

"We'll keep on fighting," he said. Elwood Goodman, attorney for Forbes, whispered words of encouragement to him.

The jury was out nearly six hours and took 12 ballots. Under the verdict Forbes and Thompson are liable to a maximum sentence of 2 years in the penitentiary and \$10,000 fine. They are at liberty under \$10,000 bond each.

ANTI-POLLUTION OF STATE WATERS

CONGRESS TO BE ASKED FOR DRASTIC ACTION IN MATTER

(By United Press)
St. Paul, Minn., Jan. 31.—Drastic anti-pollution legislation for the protection of state waters will be sought in the national Congress.

This was indicated at the capitol today when it was learned a joint senate and house resolution is being prepared by the attorney general memorializing Congress to take steps to strengthen protection against pollution of streams and lakes by municipalities and industries using state waters for sewage disposal.

Recommendation for such legislation is contained in the biennial report of the state game and fish commissioner.

STATE LEADS IN TRADE REVIVAL

Minneapolis, Jan. 31.—Minnesota leads the states of the ninth federal reserve district in point of business revival for the last year.

This is the statement of T. G. Morgan, member of the Associated Advertising Clubs of the World, in an address before the fifth district national advertising commission, at Detroit yesterday.

Mr. Morgan's statement was based on first-hand information obtained from business associates in the states of the ninth federal reserve district. Minnesota gained more than 42 per cent of normal business and agricultural activity during the past year, he pointed out.

The farmer and the manufacturer have learned their lessons of strict economy, Mr. Morgan told the advertising men, and with these lessons learned, they look forward to better conditions generally in the future.

HOUSE RESENTS SENATE'S ACTION IN POSTAL BILL

(By United Press)
Washington, Jan. 31.—The House ways and means committee today reported out a resolution recommending that the House return the postal salaries bill to the Senate.

The resolution declared the Senate, in originating the postal bill, had "infringed" on the constitutional right of the House to originate revenue bills.

36-APARTMENT BUILDING MASS OF FIRE RUINS

THREE BODIES VISIBLE IN THE BLACKENED DEBRIS AND WRECKAGE

FIRE STARTED IN BASEMENT FROM OVER-HEATED FURNACE

(By United Press)
Chicago, Jan. 31.—Ten persons were believed burned to death in a fire which gutted a 36-apartment building on the south side today. Five bodies were removed and police believe five others are in the flames.

The bodies of Anthony Harding, 22, his wife, 24, and Doris, 19-month-old daughter, were found huddled in their apartment. The body of Loretta Brayer, 18, was removed. Apparently she was asphyxiated while groping her way through smoke.

Police and firemen believe Miss Brayer accounts for one of the six other victims. A hasty checkup accounted for the rest of the occupants.

Four persons were seriously hurt and two others were badly injured.

But for the heroic work of firemen and police casualties would have been much greater.

Horace McLean, Sixteenth Battalion fireman, lead a score of firemen and police in a search of the building and directed the rescue of many persons trapped in their beds.

Several persons jumped from their windows but no one was seriously hurt. Stephen and Mrs. Collier and their 9-year-old daughter Elizabeth were carried from their apartment, badly burned. Mrs. Elizabeth Earl, 45, also is in serious condition from burns and bruises.

The fire started in the basement from an overheated furnace, police believe.

The building is a mass of ruins and the heat so intense firemen cannot penetrate them. Three bodies are visible in the blackened debris.

The body of a fifth victim, a woman, was recovered from the ruins at 9 a. m. Flames were still sweeping the ruins, making it impossible for firemen to make much progress in their search for more bodies.

LIST OF DEAD IS INCREASED

Chicago, Jan. 31.—Eight known dead was the largest count today by firemen in the blaze which swept a 36-apartment building on the south side here.

Five bodies have been recovered. Three are visible in the smoking ruins, and it is believed two or three bodies are buried under ashes and debris.

Thirty persons were injured. Five may die. But for the quick thinking of two telephone operators and the heroism of several college students and firemen and police the casualties would be much higher.

CONVICT ENDS LIFE IN PRISON CELL

(By United Press)
Stillwater, Minn., Jan. 31.—Bronislaw Pietrzak, 32, serving a life sentence in the state penitentiary for wife murder, killed himself by hanging today. He made a noose of his shoe strings and hanged himself in his cell room.

He was sentenced from Minneapolis January 1.

ALASKA CHAMPION DOG TEAM DRIVER MAKES FAST TIME

KALTAY AND KÄSSEN MAKE A FINAL DASH FOR NOME

HOPE TO BRING RELIEF TO THE DIPHTHERIA SUFFERERS

(By United Press)
Nome, Alaska, Jan. 31.—Relief of Nome's threatened epidemic of diphtheria was drawing almost in sight today.

Last advices reported Leonard Seppala, champion dog team driver of Alaska, forcing his team westward at a point about 100 miles of Kaltay.

Leaving Kaltay late yesterday, he has been driving almost without rest. He has a team of 20 blue-eyed Siberians, known as among the strongest and fastest teams of the north country.

Ganto Kassen, with 15 dogs, left Nome at noon yesterday for Unalakleet, 207 miles east of here, where he will meet Seppala and with his fresh team make the final dash to the stricken city.

NORTHERN LIGHTS CAN BE HEARD

Minneapolis, Jan. 31.—Radio is given much of the credit for the success of the polar expedition conducted by Capt. Donald B. MacMillan, who discussed his explorations at the University of Minnesota armory last night.

Capt. MacMillan told of standing in a bed of flowers nine degrees from the north pole. He said that the northern lights can be heard as well as seen.

The explorer told in interesting fashion his experiences with the Eskimos, of traveling inland with the thermometer 70 degrees below zero and of the effect of radio on arctic explorations.

CHAS. CHAPLIN IN MARITAL TROUBLE

COMEDY KING AND GIRL BRIDE LIVING APART IS RUMOR

(By United Press)
Hollywood, Calif., Jan. 31.—Reports of an estrangement between Charlie Chaplin, comedy king of the screen, and his 16-year-old bride, Lita Gray Chaplin, were stimulated today by information that negotiations are under way looking toward a financial settlement.

That Chaplin is living apart from his girl bride, Lita Gray Chaplin, were stimulated today by information that negotiations are under way looking toward a financial settlement.

That Chaplin is living apart from his girl bride was rumored, but still both principals in Hollywood's latest and most interesting romance, denied the reports. Rumor would not down that the funmaker is making his home with Douglas Fairbanks and Mary Pickford, his close friends.

MAY WHEAT STOPS UPWARD MOVEMENT

(By United Press)
Chicago, Jan. 31.—The sensational upward movement of May wheat appears to have halted temporarily at least. There was comparatively little activity in today's short session, the market closing at \$2.02 3/4 a bushel, 1/4 cent lower than the opening and in turn 3/4 under yesterday's close. There was considerable profit-taking. Trading also was cut down by brokers, who urged caution and insisted on higher margins.

STORM WRECKS EXPRESS TRAIN, KILLING THREE

(By United Press)
Londonderry, Jan. 31.—Crossing the Owenarra viaduct in the desolate Denegal Mountains during a terrific storm the Londonderry-Burtonport express was blown from the rails and wrecked early today, three persons being killed and 10 injured. The train, tossed by the gale, fell over against the stone parapet, which prevented its crashing into the river bed 150 feet below.

Demand for directors and supervisors of home economics education in negro schools and colleges in the South has led to an increase of 300 per cent in the enrollment in the School of Home Economics of Hampton Institute.

GOVERNMENT IS ASKED TO HELP FAMINE VICTIMS

PRESSURE BROUGHT ON IRISH FREE STATE TO INTER- VENE

GOVERNMENT IS ESTIMATING AMOUNT OF RELIEF NEEDED

(By United Press)
Dublin, Jan. 31.—Public pressure was brought upon the Free State government today that it intervene in the famine crisis of the west.

An official statement was being prepared, concretely defining the areas in which the failure of the potato crop has brought on conditions akin to starvation. The government is also attempting to estimate the precise amount of charity relief is needed.

Everything depends upon weather conditions during the remainder of the winter and early spring. Continuous rainfall has blighted the potato crop and deprived thousands of their one source of food, inundating the peat bogs where the peasants are wont to cut their fuel for winter. Continuation of inclement weather will undoubtedly result in a situation surpassing the worst famine years in Ireland's history. The government is perfecting a map of the famine area showing the "black misery" pockets and sections where the fuel supply is from one-half to two-thirds below normal. Such conditions exist in County Cork, as well as on the west seaboard. Government officials are confident, but it is certain that the present relief fund of 500,000 pounds sterling is insufficient.

DEGENERATE IN FULL CONFESSION

RICHARD HERBERT RELATES HIS ASSAULT ON ST. PAUL GIRL

(By United Press)
St. Paul, Jan. 31.—While his victim lay near death at Ancker hospital, Richard Herbert, 25, today related to police stories of degeneracy which finally led him to jail.

Miss Minnie Forsberg, music teacher, is suffering from a fractured skull and other injuries received when she battled off an attempted assault by Herbert late last night. Physicians said she may die.

Herbert, as an incorrigible youth, was sent to Red Wing training school. He was dismissed from there and married. Soon after he was sued for non-support. Later he was charged with an indecent offense, and the case was settled out of court. Then he was arrested for assault of a companion during a card game.

Today Herbert talked freely of his attempt on Miss Forsberg. He said he was drunk.

ATHENS BUZZES WITH WAR TALK AGAINST ANGORA

TURKEY EXPELS REPRESENTA- TIVE OF THE GREEK CHURCH

CAUSES WILD SCENES IN THE GREEK CHAMBER OF DEPUTIES

(By ANTHONY PAPAYANNAKIS)
(United Press Staff Correspondent)
Athens, Jan. 31.—Greece today severed diplomatic relations with Turkey because the Angora government expelled the Oecumenical Patriarchate, which for seven centuries has represented the orthodox Greek church at Constantinople.

Indignation has swept the Greek nation. There were wild scenes in the chamber of deputies today, deputies shouting "Down with Turkey!"

Former Minister of War Pangalos in a stirring public speech declared: "It is only by arms that Turkey can be taught to reason."

It is probable, however, that an appeal will be made to the League of Nations and possibly to other nations, including the United States, against the expulsion.

The Greek nation is in mourning. Church bells throughout the country were tolled today and the president of Greece cancelled a diplomatic banquet. Expulsion by Turkey of the historic patriarchate at Constantinople marks the culmination of the Turkish determination to obliterate the orthodox church in Turkey.

At the Lausanne conference, Turkey, having just defeated the Greeks in war, promised to respect the patriarchate. It is understood here that following recent threats against the Archbishop of Canterbury and leaders of the Christian church generally have brought pressure on the British government to intervene.

The expelled patriarchate and his staff arrived on Greek soil today and was received with great reverence. He may stay at the monastery atop the Holy Mountain in Macedonia.

GREECE APPEALS TO LEAGUE OF NATIONS

Athens, Jan. 31.—Greece today protested to all foreign governments against the expulsion from Constantinople of the venerable Oecumenical Patriarch of the Greek Orthodox Church, the Rev. Constantinos.

At the same time the government appealed to the League of Nations to intervene and broke off relations with Turkey, recalling Greek charge d'affaires at Angora.

GASOLINE PRICES UP IN MICHIGAN

(By United Press)
Detroit, Jan. 31.—The third one-cent raise within a week was placed in effect at filling stations of the Standard Oil company of Indiana today, bringing the price to 18.8 cents a gallon. Independent dealers were following with similar increases.

Next week the new Michigan two-cent gasoline tax law goes into effect and further increase in prices will be made, oil men said.

Ohio Gas Advance

Findley, O., Jan. 31.—The Ohio Oil company today announced an advance of 25c per barrel for crude oil.

WISCONSIN SOLONS FOR 2-CENT GAS TAX

Madison, Wis., Jan. 31.—The administration highway bill, which includes a 2-cent gasoline tax and a system of state aid for city, village and rural roads was reported for passage today by the senate highway committee.

All three members of the committee—Sens. Cashman, Keppell and Roethe—concurred in the recommendation.

EASTERN STAR

SCHOOL MONDAY

Chapters of Brainerd, Verndale, Staples, Pine River, Crosby, Ironton, Aitkin And Isle

BRAINERD CHAPTER HOST

Annual Visitation of Grand Matron, And Her Deputy Marked With Elaborate Preparations

Alpha Chapter, Order of the Eastern Star, of Brainerd, has completed its final arrangements for the annual school of instruction to be held in the city on Monday afternoon and evening.

Six towns in the Brainerd district will be guests of the local chapter at this school, which will be presided over by Fannie Newman, grand matron of the state of Minnesota, and Elizabeth Perkins, deputy grand matron. The towns represented include Verndale, Staples, Pine River, Crosby-Ironton, Aitkin and Isle.

The Crosby-Ironton chapter will charter a bus and attend the school in a body. Aitkin chapter is coming about 30 strong. Verndale will send about 10 and Staples about 20 according to latest reports. Pine River promises a good delegation.

The opening session will commence at 3:20 o'clock Monday afternoon, and will be in charge of the deputy grand matron. A banquet will be served at six o'clock, served by the ladies of the First Congregational church. The evening program will conclude the school, and will include a short entertainment session by local talent.

Women in Industry

(By United Press)
Chicago, Jan. 31.—Statistics collected here indicate that more than 8,500,000 women or 21.1 per cent of the female population of the United States, are gainfully employed. This means that one in every four American workers is a woman. Of the total women employed, 2,186,924, or one in four does domestic or maid service.

SCHOOL MONDAY

Chapters of Brainerd, Verndale, Staples, Pine River, Crosby-Ironton, Aitkin And Isle

BRAINERD CHAPTER HOST

Annual Visitation of Grand Matron, And Her Deputy Marked With Elaborate Preparations

Alpha Chapter, Order of the Eastern Star, of Brainerd, has completed its final arrangements for the annual school of instruction to be held in the city on Monday afternoon and evening.

Six towns in the Brainerd district will be guests of the local chapter at this school, which will be presided over by Fannie Newman, grand matron of the state of Minnesota, and Elizabeth Perkins, deputy grand matron. The towns represented include Verndale, Staples, Pine River, Crosby-Ironton, Aitkin and Isle.

The Crosby-Ironton chapter will charter a bus and attend the school in a body. Aitkin chapter is coming about 30 strong, Verndale will send about 10 and Staples about 20 according to latest reports. Pine River promises a good delegation.

The opening session will commence at 3:30 o'clock Monday afternoon, and will be in charge of the deputy grand matron. A banquet will be served at six o'clock, served by the ladies of the First Congregational church. The evening program will conclude the school, and will include a short entertainment session by local talent.

Women in Industry

(By United Press)
Chicago, Jan. 31.—Statistics collected here indicate that more than 8,500,000 women or 21.1 per cent of the female population of the United States, are gainfully employed. This means that one in every four American workers is a woman. Of the total women employed, 2,186,924, or one in four does domestic or maid service.

Program subject to change

child in the Sunday school is our wish. Is it yours?
Divine services in English at 11 o'clock. Mr. F. E. Lind, a former minister, will deliver the sermon. He will also sing. Mrs. Orvo Jones will sing. The junior choir will also sing.

Notice friends, that this service is in English. Come and worship every Sunday in the pastor's absence. Nearly every Sunday the pulpit will be filled by a supply of local pastors, students from the seminary, and pastors of note from Minneapolis. The pastor has secured Rev. Helseth, Rev. Sletten, Rev. Mattson, Prof. Andreas Helland, Prof. George Sverdrup, and Rev. E. O. Larson. Come and hear them.
Rev. Gynuld will be here Easter Day.

Thursday evening at 7 o'clock is rehearsal of the choir.

Thursday evening the regular prayer meeting will be led by the deacons. Come and pray with us.
Saturday at 10 A. M. rehearsal of

confirmation class. Rev. O. L. Bolstad of the Norwegian Danish church will instruct in Rev. Winther's absence.

A word of farewell: "To all our friends in the city Rev. and Mrs. Winther wish to bid goodbye. We still hope to spend many years in Brainerd. To our friends of the city we also bid goodbye. May God bless you all. Our farewell words are there: Support all the churches of Brainerd by your words, by your money, and best of all by your attendance on the Lord's Day. God be with you till we meet again."

O. S. Winther.

BIRTHDAY PARTY

Friends Gather at J. McPherson Home on Thursday Evening to Observe Event

A number of friends gathered at the home of Mr. and Mrs. J. McPherson Thursday evening, the occasion being the birthday anniversary of both.

The evening was spent in progressive five hundred. Leading honors were won by Mr. and Mrs. Hugo Kaatz. Consolidation honors went to Mrs. Anhorn and Mr. Drieling. Mr. and Mrs. McPherson were presented with a lovely Mazda lamp, also a beautiful cluster of flowers made by Mrs. Jack Doeplke, which were most appreciatively received.

Delicious refreshments were served at midnight, Wm. Canan being the toastmaster. The guests departed wishing Mr. and Mrs. McPherson many happy return of the day.

SWEDISH GLEE CLUB CONCERT

To be Rendered Sunday Afternoon at Norwegian-Danish Lutheran Church on Oak Street

CHURCH CHOIR TO ASSIST

Delightful Program of English and Swedish Music Has Been Arranged For This Event

The Swedish Glee Club of this city will give a concert on Sunday afternoon at the Norwegian-Danish Lutheran church, corner 10th street and Bluff Ave. South. The program will begin at three o'clock.

A delightful program of English and Swedish music has been arranged, including several well known choral numbers in Swedish. The choir will be assisted by Miss Ida Peterson at the piano, Miss Esther Fogelstrom, soprano, and Olaf Ness, violin.

The program that will be presented is as follows:

- (a) Vår Gud är oss en Våldig Borg Arr. by J. A. Swenson Martin Luther
- (b) Bön i Stormen J. Dussner
- (c) Stridsbön O. Lindblad
- Glee Club
- Meditation from Thais Massenet
- Olaf Ness, Violinist
- (a) Sångarfanan F. A. Friberg
- (b) Vårt Land Josephson
- (c) Naturen och Hjärtat O. Lindblad
- Glee Club
- Solo Miss Esther Fogelstrom Selected
- (a) Landkänding Grieg
- (b) Du Store Hvide Flok Grieg
- Glee Club
- Solo Olaf Ness Leonard
- (a) The Flag Without a Stain C. A. White
- (b) Soldier's Farewell Johanna Kinkel
- Glee Club
- (a) Over the Stars There is Rest Fr. Abt.
- (b) Merrily, Merrily Sing Hickson
- Edman Jernberg
- Norrländ Stenhammer
- (b) Till Mitt Hem Kromer
- Glee Club
- Star Spangled Banner Smith
- Glee Club and Audience

Program subject to change

child in the Sunday school is our wish. Is it yours?
Divine services in English at 11 o'clock. Mr. F. E. Lind, a former minister, will deliver the sermon. He will also sing. Mrs. Orvo Jones will sing. The Junior choir will also sing.

Notice friends, that this service is in English. Come and worship every Sunday in the pastor's absence. Nearly every Sunday the pulpit will be filled by a supply of local pastors, students from the seminary, and pastors of note from Minneapolis. The pastor has secured Rev. Helseth, Rev. Sletten, Rev. Mattson, Prof. Andreas Helland, Prof. George Sverdrup, and Rev. E. O. Larson. Come and hear them.
Rev. Gynuld will be here Easter Day.
Thursday evening at 7 o'clock is rehearsal of the choir.
Thursday evening the regular prayer meeting will be led by the deacons. Come and pray with us.
Saturday at 10 A. M. rehearsal of

REV. H. A. MUSSER

Jungle Man of India Speaks at Methodist Church in Morning Service Sunday

Rev. H. A. Musser, familiarly known as the Jungle Man of India, who spent ten years as a missionary in the jungles of India, will speak at the First Methodist church, Sunday morning, February 1st, at 10:30 o'clock. Dr. Musser is one of the liveliest men in the field of missionary speakers. Many will remember his visit here four years ago when he spoke at the High School and also at the Methodist church in the evening to a crowded house. Those who heard him at that time will be glad of the opportunity to hear him again on Sunday morning. Those who did not hear him will be greatly profited by hearing him at this time.

Dr. Musser will also speak at the Sunday school session to the older departments of the school. We trust that we may meet him with large numbers at both the services. He will speak at the Bay Lake School in the afternoon at three o'clock and at Afton in the evening.

Public salvation meeting for all, 8 p. m.
Week Meetings
Tuesday, Soldiers' meeting, 8 p. m.
Thursday, open air meeting, 7:30.
Inside, 8 p. m. Home League, 2-4 p. m. (Every other week.)
Saturday, open air meeting, 7:30.
Public praise inside, 8 p. m.
All are welcome!
Commandant and Mrs. R. Martin in charge.

BIRTHDAY PARTY

Friends Gather at J. McPherson Home on Thursday Evening to Observe Event

A number of friends gathered at the home of Mr. and Mrs. J. McPherson Thursday evening, the occasion being the birthday anniversary of both.

The evening was spent in progressive five hundred. Leading honors were won by Mr. and Mrs. Hugo Kaatz. Consolidation honors went to Mrs. Anhorn and Mr. Drieling. Mr. and Mrs. McPherson were presented with a lovely Mazda lamp, also a beautiful cluster of flowers, made by Mrs. Jack Duepke, which were most appreciatively received.

Delicious refreshments were served at midnight, Wm. Canan being the toastmaster. The guests departed wishing Mr. and Mrs. McPherson many happy returns of the day.

ALBERT LEA'S EXPERIMENT

LAST June we attended a United Commercial Travelers Minnesota-Dakota convention in Albert Lea and supposed we had seen everything when we confined our attention to that progressive town. In spite of the six and seven story buildings in its modern business section, its many factories and other industries, Albert Lea through its Albert Lea Farms Company has accomplished something so much more wonderful near that town that the experiments and success achieved have attracted world-wide attention and the recognition of the governments of the United States and Holland.

It all concerns making peat land productive. Occupying an inconspicuous section of the market page of the January 24 issue of the Christian Science Monitor of Boston one reads of the success of this development of peat lands. There are thousands of acres of this peat land in Minnesota which can be developed if the same assiduous attention is displayed as one witnesses at Hollendale, Minn.

In six years, what was once a haunt of wild game, by dint of hard labor and unflinching courage, has been developed into a farming community of national importance and world fame. It cost the farming company mentioned more than \$2,000,000 to put the land into proper shape. The experience and knowledge gained by this experiment will be worth countless millions to the rest of the world where the problem of utilizing peat and muck lands exists.

The soil is a peat muck varying in places to a deep black silty loam of great fertility. A main ditch was dug through the center of the 15,000 acre tract and lateral ditches and tiles laid. Settlement was open only to Hollanders or those of direct Dutch descent.

In 1924 the average yield of potatoes was 300 bushels to the acre. Onions yielded as high as 798 bushels to the acre. Celery brought from \$1,000 to \$1,500 per acre. By means of careful selection and wise marketing, more than \$350,000 was made last year by the Hollendale farm community of 45 families.

Gladiolus and narcissus bulbs were experimented with and such fine results achieved that a flower merchant of Haarlem, Holland, made a visit to Hollendale and engaged two farmers to raise bulbs for sale in America. The greatest care is exercised by the community in shipping only the best and finest of their products, and gaining the designation, "Hollendale Brand."

As a final tribute to Hollendale, the National Peat society held its annual meeting in Hollendale and studied first hand what is believed to be the most finely developed piece of muck land in the United States.

ARTISTIC TEMPERAMENT

ARTISTIC temperament of musicians, actors and others who are intensely devoted to the arts, is sometimes a case of bad nerves. The latest example is that of a New York woman pianist who is famed as being one of the leading orchestra conductors. She was to play in New York city and a crowded house awaited her appearance.

She failed to seat herself at the piano and her manager, who left her for a moment to hail a taxi as they were to proceed to the theatre, lost sight of her and appealed to the police to find her. Tickets were returned to the audience, police combed the city for the missing pianist and next day found her at the home of a lady friend. When an artist runs away from a scheduled lucrative performance, overwork no doubt has shattered her nerves.

Newspaper men, on the other hand, have no art and no temperament, and can work their typewriter mill in the lee of the presses, both making as much noise as a loosely jointed threshing machine in a Dakota field.

STATE RULE THROUGH 12 COMMISSIONS

STATE rule through 12 commissions is proposed by the interim committee of the house of representatives. Here are the departments proposed:

Executive council, department of administration and finance, department of agriculture, department of highways, department of education, department of health, department of commerce, department of labor and industry, department of conservation, department of welfare, department of taxation, department of railroads, warehouses and utilities.

No doubt our lakes would come under the jurisdiction of the department of conservation.

BRAINERD'S AUTO SHOW

BRAINERD last year had an automobile show which attracted the most favorable attention, a large attendance, much comment, and resulted in an aftermath of car buying by those who had seen the latest models displayed.

The auto shows start in New York, move to Chicago, are next in St. Paul-Minneapolis where that exposition opens Saturday, proceed to Duluth and westward. Brainerd's show last year was sandwiched between the Twin Cities and Duluth.

Brainerd automobile dealers are faced with the problem of an adequate exposition hall. Some have suggested that the old court house be used, but it would require extensive remodeling.

TALK is cheap, used to be an old expression. It has been superseded by modern radio costs. To get Joe Bush at his palatial home at Oak Lane, Philadelphia, for a five minute telephone talk, Philadelphia to Minneapolis, would cost \$6.50. But to "hook-up" Joe Bullet with the radio station would cost the neat sum of four hundred dollars. We have written out the amount as the typesetter might drop a cipher if setting in figures.

EVEN Nature can be deceived. Large flocks of geese have been flying over Atlantic City, N. J., headed north and old-timers asserted it meant an early spring. A few days later the flocks headed back for the south, evidently fooled about the new spring idea. The birds encountered the cold wave in the East and made for warmer climate.

THE farmer who held his wheat will make money.

IN WCCO RADIO PROGRAM

Thousands in Nation-Wide Audience Hear of Work Done by Only Association of Its Kind

The summer recreational advantages of the 10,000 lakes of Minnesota were extolled in the following eloquent address broadcasted by radio from WCCO in Brainerd Night's program on Friday evening by R. R. Wise of this city, president of the 10,000 Lakes of Minnesota Association:

The 10,000 Lakes of Minnesota Association was organized in 1918. At that time the world knew but little about the vast recreational resources of Minnesota, the playground of America. But after a steady increase each year since 1918, in 1924 largely through the efforts of the association in advertising the pleasures offered in our great state, 800,000 tourists came to see us, and our fellow Americans are becoming better informed first hand as to the many advantages of a play spell in Minnesota.

The late President Roosevelt gave us a slogan, "See America First," and this seems to be getting into the system of the great American public. As an experiment, get acquainted with your country, you might like it. And remember Minnesota's Ten Thousand Lakes, with the sunlight playing on the many colored waters, which aid in the production of our great crop, our fish, which are planted where with the proper feeding they may mature. The bass where the bass weeds grow, trout and pike where the waters are cold, the muskellunge where they may grow to large proportions—and all where they may delight the senses of the followers of Isak Walton.

Minnesota has wonderful canoe trails. We have thousands upon thousands of acres of beautiful forests; farms producing large proportions of the best of the world's wheat, butter, beef and other farm products; iron mines the greatest in the world; natural resources almost unlimited and unexcelled anywhere; and all connected by our great state highway system, providing one of the best series of hard surfaced roads to be found in any state in the Union.

In fact, we are prepared to receive new citizens of any age, and to provide for their every want from the cradle to the grave. Milk to care for the first needs of childhood; excellent vegetables, grains, meat, and fruit to support life to maturity; wool, iron, leather and many other products used in manhood; and beautiful granite from which to cut a memorial marker to remind posterity of our having lived in the great Northwest.

Many thousands have recently taken advantage of our immense possibilities for settlement, and hundreds, yes thousands of bungalows and cottages that have been built are suggestive of what our visitors think of Minnesota, once they become acquainted with her vast and varied resources. Personally, I am glad to live in the center of the great state of Minnesota, and proud to have spent one-third of a century in Brainerd within the confines of the territory outlined.

Adhering strictly to the truth, for which our people are noted, the climatic conditions are next to marvelous. It sometimes gets quite cold, but we do not suffer, and the cold is a necessity for we must have the frost deep in the ground in order to have maximum crops the season to follow. And even the crisp cold air suggests the purity that pervades the great Northwest.

Sowing seeds of kindness is my ambition, and I am acting as President of our Association and giving freely of my time without one penny of salary. I believe with all my heart in the great outdoors of Minnesota, as the playground of America. And while we have so much of the beauty of nature, I would consider my duty well performed if I could impress upon the minds of the parents of our great country the definition of the word duty. And now, will you help me define the word duty. Your duty, to visit the playground of America. Your business demands your almost undivided time and attention, but even that is a comparatively narrow thought. You can get away.

Let us indulge in a slight meditation. Do you remember the sense of disaster when the beloved President McKinley was taken from us suddenly and without warning? A gloom pervaded the entire country, and yet like a wave of the great ocean of time, events found their level and the wheels of progress continued to roll.

You owe it not only to yourself, but to your family, to your wife, the companion of your struggles, and to the dear children. God bless them, who follow in your wake. No question but what you are entitled to rest from your labors, and that your wife deserves a recreation. Take them with you on a vacation in Minnesota, let them bask in the sunshine and play in the waters and the sands, let them listen to the rippling of the waters, the songs of the birds, and the sighing of the pines, that the good Lord has provided in this playground of America.

It is an education in itself. Wealth may vanish, riches take wings, but memory remains. And the bright thoughts brought about by a happy vacation with father and mother can never be effaced from the children's minds, but excel this world's goods. And when the time comes that father and mother are called to the Great Beyond, one of the brightest

Jack Holt, Lois Wilson and Ernest Torrence in the Paramount Picture "North of 36" An Irvin Willat Production

"Boys," says Lois Wilson, "I'm broke. I'm busted clean and fair."

That's the start of Emerson Hough's novel, "North of 36," which Irvin Willat produced for Paramount on the actual locale of the story as it took place sixty years ago.

At that time, many in the south were bankrupt. Miss Wilson, who plays the part of Taisie Lockhart, owner of the Del Sol ranch in cen-

tral Texas, is no better off, than the rest. Nobody counted their cattle, for cattle couldn't be sold. There was no market, no railroad.

The carpet-baggers at Austin, led by Sim Rudabaugh (Noah Beery) are stealing land scrip, driving off cattle, and dreaming of a day when they will be masters of a great empire in the south.

Then comes word that a railroad has been built as far as Abilene,

Kansas. Cattle, it is said, are in demand there at as much as ten dollars a head. Taisie decides desperately to drive all the cattle left by Rudabaugh's raiders to Abilene—more than one thousand miles away. Nobody has ever driven cattle that far. There is no trail. But Ernest Torrence, playing Jim Nabours, the grizzled ranch foreman, and Jack Holt, as Dan Mc Masters, think that it can be done.

THE ALL STAR CAST IN "BROKEN BARRIERS"

Are the old standards of morality to give way to new?

It's the theme of "Broken Barriers," the great Reginald Barker production that comes to the Lyceum Theatre Sunday for two days. The photoplay was adapted by Sada

Cowan and Howard Higgin from the brilliant novel by Meredith Nicholson, the man who wrote "The House of Mirth." It's a fearless handling of problems that are vital today in every American home.

And think of the cast!—James

Kirkwood, Mae Busch, Adolphe Menjou, Norma Shearer, Robert Agnew, Winifred Bryson, George Fawcett, Ruth Stonehouse, Robert Frazer, Vera Reynolds!—This is one of the real picture treats of the season.

spots on the page of family history for those left behind will be the memory of that delightful outing, with father and mother in Minnesota.

HOTEL MEN WILL MEET IN ST. PAUL

IMPROVED SERVICE FOR TOURISTS WILL BE SOUGHT AT MEETING

St. Paul, Jan. 30.—The sixth annual convention of the Minnesota State Hotel and Restaurant association opens in St. Paul today, continuing through Friday. Sessions will be held at the Saint Paul Hotel.

Delegates and members from all sections of the state will be in attendance.

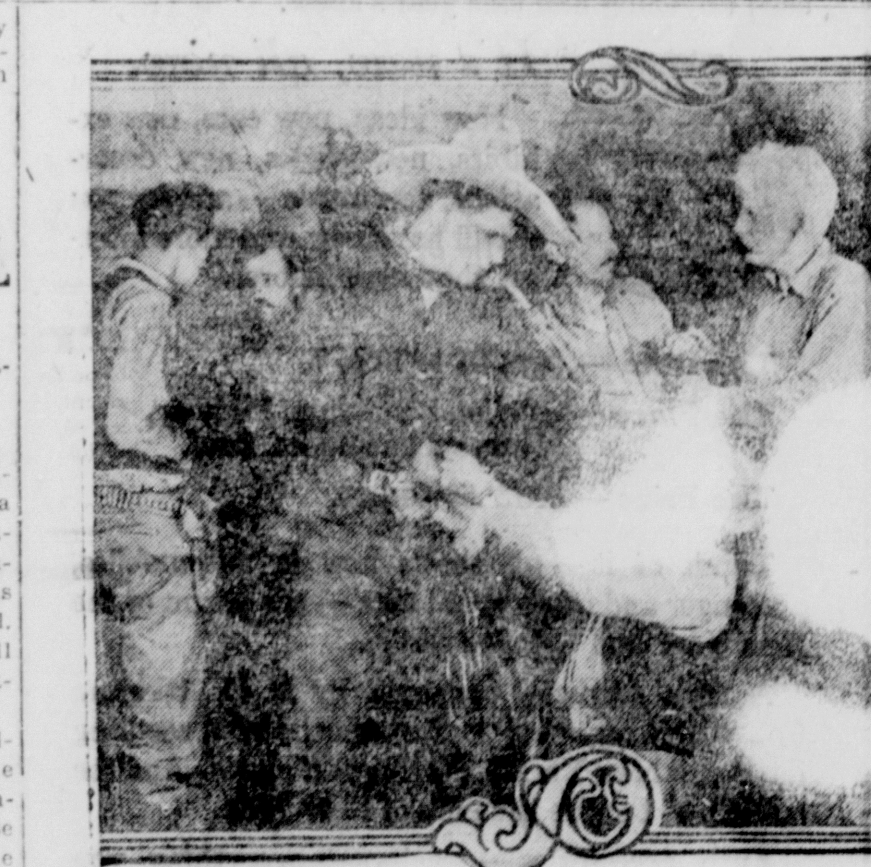

The convention this year, according to Charles Roth, treasurer of the association, will concern itself principally with problems that arise from the large tourist business the state enjoys each year. Every effort to improve the service to Minnesota's thousands of tourist visitors during the summer and fall months will be made this year, Mr. Roth said.

J. M. Learn, St. James, president of the state organization, will preside.

Gov. Theodore Christianson will be the principal speaker at the association's annual banquet Friday night at the Frederic hotel. This annual banquet to the hotel men of the state will be complimentary and by courtesy of Walter Pocock, owner of the Frederic. On the same evening, the ladies of the convention will be guests at a dinner at the Saint Paul, with Mr. Roth, the hotel manager and owner, host.

Walter L. Stewart, Des Moines, Ia., will be the principal speaker at the session tomorrow afternoon at the Saint Paul Hotel. Mr. Stewart will discuss "The Importance of Organization in Regard to Legislation."

The convention this year will make every effort to support the Ten Thousand Lakes of Minnesota association in its crusade to attract tourists to Minnesota.

Jack Hoxie in "Riders of the Law" showing at Lyceum Tonight Only.

Four Big Vaudeville Acts and Feature Picture at New Park Tonight

The New Park will present four big vaudeville acts and the feature picture, "Marriage Morals," with Tom Moore tonight at popular prices.

KIDDIES AND COACHES

After all, it's the little human thoughts and suggestions of sales people that make the strongest impression on us, isn't it?

We talked to a man who went "shopping" with his wife for a car for Christmas the other day.

Here's how he recounted his experiences: "The first fellow I met was profoundly up-stage. He actually pitied my ignorance about his car's recent improvements and refinements.

"The next fellow told me how lucky I was I didn't get into the place up the first street.

"The third one professed to know very intimately all of my friends, and neighbors. He got real free and

kidded my wife entirely too much. "But the one I bought from talked about his kiddies and asked about my two little cherubs—and casually mentioned that he drove a coach because HE ALWAYS FELT THAT HIS KIDDIES WERE SAFE BACK THERE."

We wonder why!

It's a race for public favor and the automobile buyer's final choice. Seven of the leading manufacturers have brought out coaches in the past few months. Why? The public have demanded it and sales have proven it.

As Hudson pioneered the sedan and speedster bodies so have they pioneered the coach.—Editorial in Motor World, Jan. 1.

Romance

You often hear people refer to the "dear old days of romance"—to the time when knight-errants roamed the earth to do honor to a lady's blue eyes.

These folks say we are living in an age of realism!

An age of "realism" where the human voice is hurled across the world without wires; where the temperature of Mars is taken more than thirty millions of miles away; where tons of steel and people ride easily and safely through the air or under the sea!

An age of realism! Why, this is the most romantic of all ages!

The advertising columns of this paper are full of romance—of the romance of men who have devoted their lives to bringing new comforts, conveniences and pleasures for mankind.

Advertisements tell these stories, not with the romantic exaggeration of a jongleur, but with the calm, simple words of sincerity. Here is a firm that spent millions to develop a product that makes your baby comfortable. Here is a company that has labored fifty years to cut a single hour of toil from your day's work. Here is a man who has searched the Seven Seas to produce a new flavor for your dinner.

Romance—this age is full of it. Not just empty romance, but the true romance of achievement, of progress, of the betterment of mankind.

BRAINERD IS IN FARM COMMUNITY

County Agent E. G. Roth Describes Agricultural Opportunities in Radio Program

BRAINERD NIGHT AT WCCO

Tells the World That This County's Greatest Asset is Its Rich Farming Lands

Those who were tuned in on WCCO's Brainerd Night program Friday evening were impressed by the possibilities of Crow Wing County's agricultural resources, as explained by County Agent E. G. Roth in his four-minute address broadcasted by the Minneapolis-St. Paul radio station. Mr. Roth's address follows:

No program from Brainerd would be complete without mention of its agricultural activities. Brainerd is very much interested in the agricultural development of the county.

Crow Wing County, lying in the exact center of Minnesota, has long been known as the Hub County of the state, famous for its forests and iron mines. So much attention has been given to these that its largest resource has practically been forgotten, namely, the rich agricultural lands of the county.

Here we find soils to please the most exacting, ranging from a sandy loam to a heavy clay, from level fields to rolling plains. The soil is rich, easily worked and yields tremendous crops.

Crow Wing County raises some of the finest crops grown anywhere in the state, the chief crops being corn, oats, potatoes, wheat, barley and buckwheat. Due to our warm lakes, corn has a long-growing season and each year matures a good seed crop.

This is the natural home of clovers and alfalfa until the past two or three years farmers did not realize the wonderful opportunities in alfalfa-raising, and to show the tremendous growth that has taken place in this industry in the last three years, statistics show that in 1921 only forty acres of alfalfa were grown in Crow Wing County. By demonstration and by showing that this crop can be grown, the county agricultural extension service and the Farm Bureau have increased this acreage to 2000 acres in 1924. The Lions' Club of Brainerd fostered a Boys' and Girls' Club movement in which sixty-three children finished demonstrating to their fathers the value of "The King of the Legumes." Out of 1600 acres planted in 1924, not one single failure was reported. Farmers in two cuttings took as much as six tons per acre from their alfalfa fields with an average of four and one-half tons per acre. Six bushels of seed have been taken off alfalfa fields per acre and sold at fifty cents per pound. Clover has long been known as one of the county's main crops, growing naturally in the woods and meadows.

Dairying is the county's main industry. Co-operative creameries are located in every town and city in the county and the highest price is paid for butter fat. With alfalfa, clover, corn ensilage growing in such large quantities, pastures with natural feed, dairying becomes highly profitable and is taken advantage of by the wide-awake farmers. Better stock is constantly raised or brought into the county. Hottelins and Guernseys are the predominating breeds.

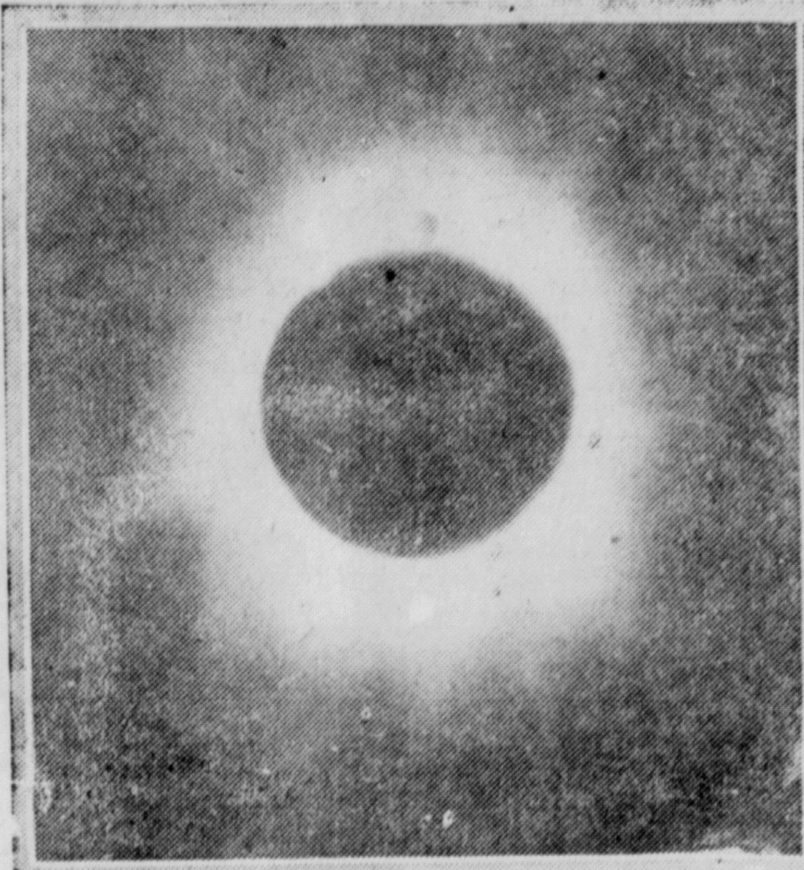

The business men of Brainerd, through its Chamber of Commerce, raised a fund of money with which to purchase twenty-five pure-bred sires, which were presented to the farmers' organization, known as the Crow Wing County Pure Bred Sires Association. These bulls were distributed in blocks throughout the county, from three to seven farmers forming a block. By means of these sires the use of pure bred breeding stock is being made use of by one hundred and twenty-five farmers in the county. These sires are cared for by one farmer in each block who has been designated as care-taker. These pure-bred dairy sires will be brought into Brainerd at the end of two years when they will be re-distributed. It is the plan of the Chamber of Commerce and business men of Brainerd to increase this number and to add pure-bred heifers to the Association and in that way develop to the maximum efficiency the dairy industry of the county. Records of the Association's pedigrees, transfers and detail work in connection with this Association are taken care of by Miss Nelson, Assistant in the Farm Bureau office.

Beautiful herds are located in practically every township in the county and as the stumps recede before the settlers attack, their place is taken by the red and white or black and white dairy cow. The Farmers' Cooperative Creamery of Brainerd in five years increased the out-put of butter from 60,000 pounds of butter in 1919 to over 400,000 pounds of butter in 1924. Other creameries in the county have shown similar increases. Yet, less than 30 per cent of the county's agricultural lands are opened to cultivation. The agricultural resources have barely been scratched.

Other rapidly growing industries are the raising of sheep, poultry, fruit and truck crops, bees and fur farming.

Crow Wing County offers the finest markets for agricultural products. The dairy farmer has the co-operative creameries, a pure-bred sire association, the Holstein Association to aid him. Co-operative Associations for marketing eggs, poultry, live stock, wool and potatoes furnish the best of markets for the farmers from all parts of the county. Local business houses throughout the county pay highest prices for farm products and are keenly interested in the farmer's welfare. The Crow Wing County Farm Bureau

Perfect Impression of Sun's Eclipse at Totality Made from Approximate Center of Shadow Path

This photograph, made by William Henry, astronomical-photographic expert at C. W. Elmer's observatory at Southold, Long Island, shows the eclipse at its totality. The sun is completely obscured by the moon. This picture was made from a point almost in the center of the eclipsical path.

with a membership of 600 of the best farmers in the county is ever alive for the development of the best agricultural interests. With its twenty-nine Farmers' Clubs and Farm Bureau Units it offers social advantages and opportunities to get acquainted to the new residents of the county. The county agent's office is always open and ready to receive new settlers and help them with their agricultural problems. The tourists who own cottages on our lakes, visit our summer resorts, fish in our streams and play in our forests are great consumers of agricultural products and are an ever-increasing source of revenue to Crow Wing County agriculture. Is it any wonder then that Brainerd is proud of its agriculture?

BRAINERD RADIO PROGRAM WAS BIG SUCCESS

(Continued from Page 1)

an" and "Roll Dem Bones." The voices blended very nicely and the numbers were distinctly heard by the Brainerd audience. A. C. Mraz sang two solos, the "Bedouin Love Song" and "Give Me The Open Road," and Rowland Jenkins favored with three, "10,000 Years From Now," "Memory Lane," and "Sally." Mrs. Mal Clark sang two groups of soprano solos, "April, My April," and "Yesterday and Today" forming the first group; "Thank God for a Garden" and "Design" making up the second. Mrs. Clark's voice is ideal for radio broadcasting, and was heard exceptionally well in this city.

Miss Cora Rickard, supervisor of music in the local city schools, rendered two contralto solos, "In Autumn" and "The Nightingale Has a Lyre of Gold." Later, with her friend, Mrs. Hazel Cowan, soprano, two duets were sung, "When Twilight Weaves" and "Across the Still Lagoon." The voices blended in rich harmony and the songs were very well received.

Miss Geraldine Kiebler was heard in two groups of violin solos, the first consisting of "Midnight Bells" and "Conzonett;" the second group, "Adoration" and "Romance."

Mrs. Walter F. Wieland acted as piano accompanist for Miss Kiebler and all of the vocal numbers, in her usual efficient manner. Here was one of the most difficult parts of the entire program, since she had very little opportunity for resting between numbers. Her contributions to the program were of great value since the successful rendition of the vocal and instrumental numbers depended greatly upon the assistance of the accompanist.

Within 15 minutes after WCCO station started, it was receiving scores of telegrams from Brainerd, Fort Dodge, Iowa, St. Cloud, Staples, Rotary, Owensboro, Kentucky, Crosby, Rochester, Valley Junction, Iowa, Duluth, Willmar, Alexandria, etc.

It was with great satisfaction that the telegrams from Brainerd were received, and they were most gratifying to WCCO as well as to the artists. These messages included those sent by the Brainerd Lions Club, The Brainerd Electric Co., The Electric Shop, and numerous individuals.

"Sounds like home," wired Madge Murphy Kemper, former Brainerd girl, now of Ft. Dodge, Iowa. The Bresslers and Whites listened in at Owensboro, Ky., the Hemsteds and Mahlums at St. Cloud, all Brainerd people. Six wired from Crosby.

"Good entertainment," said the Coventrys and Fairchilds, of Willmar. "Program coming in fine," wired Art Lyddon from Des Moines, Iowa. At the close of the program the announcement was made to send prepaid letters or cards commenting

on the program to The Dispatch for publication.

All of the Brainerd company acted like veterans and faced the microphone without a quiver. Paul Johnson, announcer, and Mrs. Eleanor Poehler, musical program director, gave every assistance. Mrs. Poehler is well known to many Brainerd people.

In his talk on Brainerd, John A. Hoffbauer read an interesting letter from Joe Bullet Bush, former Yankee star twirler, and a native of Brainerd, who this year will pitch for St. Louis. His mother, Mrs. J. W. Bush, was listening in at the home of a neighbor, V. W. Mackey, 1006 First street, and said that hearing this letter from her son was next to having him with her.

Clyde Ate, who with his family is spending the winter at Wellington, Kansas, wired to Brainerd Elks club that the program was splendid and that it is a big boost for the best city in the best state of the Union. Mr. Ate stated that he hoped Brainerd would stage another radio program in the near future.

Dr. A. K. Cohen received a telegram from his brother, Dr. N. N. Cohen, of Minneapolis, voicing his appreciation of the Brainerd program and regretting that the Exalted Ruler of the local Elks was not a participant in it.

TRIES TO KILL PROF. EINSTEIN

EUGENIA DICKSON ARRESTED ON THIS CHARGE IN BERLIN

(By United Press) Berlin, Jan. 31.—Eugenia Dickson, said to be a Russian-American, was arrested today and is held by police on a charge of planning to assassinate Professor Albert Einstein, exponent of the theory of relativity.

Eugenia Dickson is the woman arrested in front of the Russian embassy in Paris some weeks ago where she was parading up and down with a revolver, intending to attack Ambassador Krassini. At that time she declared that Professor Einstein was in reality Azov, notorious agent provocateur of the Russian revolution.

"SONNY" HOPP FOUND GUILTY

MANSLAUGHTER CHARGE IN CONNECTION WITH MARGARET THOMAS' DEATH

(By United Press) Milwaukee, Wis., Jan. 31.—William "Sonny" Hopp, amateur athlete, was found guilty of fourth degree manslaughter in connection with the death of Miss Margaret Thomas, former Sheboygan girl, but a jury in circuit court here today.

In addition to this verdict of guilty the jury recommended that the youthful athlete be placed on probation.

The charge against Hopp grew out of the death of Miss Thomas following an automobile accident here on the morning of March 6, 1924. The state held that Hopp was intoxicated and driving at high speed when the automobile crashed into a concrete light pole.

LUMBER CAMPS SEARCHED FOR WADENA SLAYER

EDWARD HELM WANTED AS ACCOMPLICE IN GOINGS MURDER

BELIEVED TO BE HIDING IN THE NORTHERN WISCONSIN WOODS

(By United Press) Wadena, Minn., Jan. 31.—Authorities today turned their attention to a lumber camp in the northern Wisconsin woods in search of Edward Helm, wanted for murder.

County Attorney John Mark late today charged Helm and Buck O'Connor with the killing of John Goings, whose frozen body was found in a corn field near here. Warrants charging first degree murder were issued at the close of the coroner's inquest this afternoon.

Goings, en route from North Dakota to Ohio, was murdered two months ago. His automobile was found in Minneapolis. Travelers' checks which Goings carried led Buck O'Connor to Stillwater for forging Goings' name.

O'Connor was taken from Stillwater to Minneapolis yesterday.

Helm, it was learned, is working in a lumber camp in the north Wisconsin woods. Deputies have been sent for him.

The accidental finding of Goings' body solved his disappearance last November.

BILL TO LICENSE AUTO DRIVERS

WOULD FORCE ALL DRIVERS TO PASS A RIGID QUIZ

(By United Press) St. Paul, Jan. 31.—The first bill to license automobile drivers has made its appearance in the legislature.

Every driver of a car would be forced to submit to examination before being granted a driver's license under the provisions of the proposed act. Licenses would be issued by the secretary of state. If passed the law would go into effect next January 1, and those driving cars without a license after that date would be liable to a fine of \$100 or imprisonment for 90 days. Violation of the traffic laws or other offenses would result in suspension or revocation of the license.

BRAINERD IS IN FARM COMMUNITY

County Agent E. G. Roth Describes Agricultural Opportunities in Radio Program

BRAINERD NIGHT AT WCCO

Tells the World That This County's Greatest Asset is Its Rich Farming Lands

Those who were tuned in on WCCO's Brainerd Night program Friday evening were impressed by the possibilities of Crow Wing County's agricultural resources, as explained by County Agent E. G. Roth in his four-minute address broadcasted by the Minneapolis-St. Paul radio station. Mr. Roth's address follows:

No program from Brainerd would be complete without mention of its agricultural activities. Brainerd is very much interested in the agricultural development of the county.

Crow Wing County, lying in the exact center of Minnesota, has long been known as the Hub County of the state, famous for its forests and iron mines. So much attention has been given to these that its largest resource has practically been forgotten namely; the rich agricultural lands of the county.

Here we find soils to please the most exacting, ranging from a sandy loam to a heavy clay. The soil is rich, easily worked and yields tremendous crops.

Crow Wing County raises some of the finest crops grown anywhere in the state, the chief crops being corn, oats, potatoes, wheat, barley and buckwheat. Due to our warm lakes, corn has a long-growing season and each year matures a good seed crop.

This is the natural home of clovers and alfalfa until the past two or three years farmers did not realize the wonderful opportunities in alfalfa-raising, and to show the tremendous growth that has taken place in this industry in the last three years, statistics show that in 1921 only forty acres of alfalfa were grown in Crow Wing County. By demonstration and by showing that this crop can be grown, the county agricultural extension service and the Farm Bureau have increased this acreage to 2000 acres in 1924. The Lions' Club of Brainerd fostered a Boys' and Girls' Club movement in which sixty-three children finished demonstrating to their fathers the value of "The King of the Logumes." Out of 1600 acres, planted in 1924, not one single failure was reported. Farmers in two cuttings took as much as six tons per acre from their alfalfa fields with an average of four and one-half tons per acre. Six bushels of seed have been taken off alfalfa fields per acre and sold at fifty cents per pound. Clover has long been known as one of the county's main crops, growing naturally in the woods and meadows.

Dairying is the county's chief industry. Co-operative creameries are located in every town and city in the county and the highest price is paid for butter fat. With alfalfa, clover, corn ensilage growing in such large quantities, pastures with natural feed, dairying becomes highly profitable and is taken advantage of by the wide-awake farmers. Better stock is constantly raised or brought into the county. Holsteins and Guernseys are the predominating breeds.

The business men of Brainerd, through its Chamber of Commerce, raised a fund of money with which to purchase twenty-five pure-bred sires, which were presented to the farmers' organization, known as the Crow Wing County Pure Bred Sires Association. These bulls were distributed in blocks throughout the county, from three to seven farmers forming a block. By means of these sires the use of pure bred breeding stock is being made use of by one hundred and twenty-five farmers in the county. These sires are cared for by one farmer in each block who has been designated as care-taker. These pure-bred dairy sires will be brought into Brainerd at the end of two years when they will be re-distributed. It is the plan of the Chamber of Commerce and business men of Brainerd to increase this number and to add pure-bred heifers to the Association and in that way develop to the maximum efficiency the dairy industry of the county. Records of the Association's pedigrees, transfers and detail work in connection with this Association are taken care of by Miss Nelson, Assistant in the Farm Bureau office.

Beautiful herds are located in practically every township in the county and as the stumps recede before the settlers attack, their place is taken by the red and white or black and white dairy cow. WALTER WIELAND OPENS PROGRAM

County Attorney Tells About His Home Town in Opening Number of Radio Program

BROADCASTED FROM WCCO

Closes His Address With an Invitation to His Listeners to Visit the City of Pines

Braierd Night's program, broadcasted from the Gold Medal station on Friday evening, was opened with an address, "Braierd and Its Resources," delivered by County Attorney Walter P. Wieland. This five-minute speech is given herewith:

Through the courtesy of Gold Medal Station WCCO, Minneapolis-St. Paul, the privilege has been extended to me and my neighbors in Braierd "to tell the world," if I may be permitted to use a somewhat modern expression, about our home town, Braierd, Minnesota.

The 10,000 inhabitants of Braierd live in almost the geographical center of the State of Minnesota, at the junction of the line of the Northern Pacific extending north from St. Paul and Minneapolis, and a line of the same railroad projected from Duluth, westerly, and at the southern terminus of the Minnesota & International railroad which runs north from Braierd to the Canadian border. Its exact location was determined in 1870 when the surveyors who were laying out the route of what is now the Northern Pacific railroad, were traveling westerly from Duluth and endeavoring to find a suitable place to cross the Mississippi river, and for a year was known as "The Crossing."

The original townsite of Braierd was laid out in a dense pine forest by the Lake Superior & Puget Sound Company in 1870 and Braierd was given its name because that was the maiden name of the wife of former Governor J. Gregory Smith of Vermont, and the first president of the reorganized Northern Pacific railway company. But, enough of history! It has its value but the people of Braierd are forward looking people and we are living in the present and looking forward with high hopes to the future.

Braierd has 22 churches, a Salvation Army and a Y. M. C. A. It has two service clubs, Rotary and the Lions. It has an active Chamber of Commerce maintaining commodious quarters where the visiting vacationists may always obtain complete information as to the summer resorts, the lakes and the roads. It has an active Country club which maintains a nine-hole golf course where all summer tourists are more than welcome. Some of the other active civic clubs are the Garden & Flower club, the Northeast Braierd Improvement League, the Crow Wing Game & Fish Protective League, the League of Women Voters and the Braierd Musical club with a membership of over 400. This club, every two weeks during the fall, winter and spring seasons, presents delightful concerts for its members and the public and brings to Braierd many artists or reputation and ability.

The largest industry in Braierd is the Northern Pacific railroad shops which is the largest shops on that great transcontinental system and employs normally 1,200 men. The next largest industry is a thoroughly modern pulp and paper mill owned by the Northwest Paper company. A visit to this mill is very interesting, as the visitor will here be shown the latest processes in converting the spruce log to the large rolls of finished paper. There is a sash and door factory and the Braierd Lumber company serving Braierd and Northern Minnesota. There are two creameries, one of which is a large, new, modern plant and is owned and operated very successfully on a cooperative basis. The wholesale houses adequately serve the public East, West and North of Braierd. The general offices of the Minnesota & International railroad are in Braierd.

Braierd has over 2,000 children attending attentively operated schools. We also have a public library and a thoroughly modern Postoffice, Court House and City Hall, as well as many miles of paved streets. Braierd has two parks, one in the heart of the residence district and one of forty acres on the shore of Rice lake at the outskirts of the city where there is excellent bathing, boating and recreational advantages.

The electric and water systems of Braierd are municipally owned and are thoroughly modern and carefully operated. There is cheap water power for the manufacturer. Water is obtained from deep wells and requires no treatment for industrial use or human consumption.

Braierd is at the junction of four State Trunk Highways. When you drive to Braierd next summer for your vacation, as you are now cordially invited to do, if you are coming from the Twin Cities or points south, take State Trunk Highway No. 3 to St. Cloud and State Trunk Highway No. 27 from St. Cloud. All this road is paved except the last 25 miles. If you prefer an excellent gravel road and a drive of approximately 30 miles of exquisite beauty along Mille Lake lake, leave State Trunk Highway No. 3 at Elk River and travel into Braierd on State Trunk Highway No. 13. If you are traveling from Duluth, or from Red River Valley points, take State Trunk Highway No. 2.

When you arrive spend a few days at Braierd's Tourist Park situated in a pine grove overlooking the Mississippi river. There you will find a courteous caretaker in charge day and night, hot and cold water shower baths, canopy covered lunch tables, camping stoves or gas stoves as you prefer and a pavilion with reading

room and long distance telephone. While there, visit our many lakes close at hand and the Cuyuna iron range where may be seen the open pit and underground mining operations.

Braierd is the Gateway City to the region of the 10,000 lakes. It has also been aptly named the City of Pines for the southern limits of Braierd are also the southern limits of the natural pine forests extending north to the Canadian border.

So in behalf of the people of the City of Braierd, I invite you to visit us next summer and to take your vacation in one of the most wonderful playgrounds in the whole world, the lake and pine district of northern Minnesota.

BRAINERD AS A CONVENTION CITY

Braierd Way of Entertaining Conventions Explained Over Radio in WCCO Program

BY JOHN A. HOFFBAUER

City to Entertain Several Important Association Conventions During the Present Year

Braierd centrally located in the state is an ideal city for conventions, was the theme of the address delivered by John A. Hoffbauer, of The Dispatch, chairman of the convention committee of the Braierd Chamber of Commerce, as a part of the Braierd Night program broadcasted by radio from the Gold Medal station, WCCO, Minneapolis-St. Paul. This address follows:

Braierd, situated in the center of Minnesota, is easy of access by rail and state highways. It is an ideal convention city and the summer season holds special charms. Shimmering lakes, wonderful fishing, boating, bathing, automobilizing provide recreation. In addition to Braierd's hotel service, one finds resorts at the nearby lakes, from the humblest, where just plain comfort is the keynote, to the most modern like Captain William H. Fawcett's Breezy Point Lodge on Big Pelican lake, where close to a half million dollars has been invested.

And Braierd can well take care of the Elks state convention set for August this year. A housing committee will list hotels and private rooms in the city, resorts and cottages of the lake region. An executive convention committee named shortly after Braierd secured the convention, is working zealously amassing a convention fund. There will be wonderful band concerts, the Elks parade, the lakes with all their attractions, fish just waiting to be hooked, golf and trapshooting tournaments, visits at the mines. It will be an era of good fellowship, of sight seeing, a reunion, and a period of recreation of untold value to all Elks participating. The convention will overlap state boundaries and special trains are expected bringing visitors from Omaha, Chicago, Detroit and other eastern points.

The Northern Minnesota Medical society convention comes also in August and was secured by Drs. J. A. Thabes and R. A. Beise. Some 200 doctors and their families are expected, and like the Elks, they will enjoy pleasure and recreation in this lake region.

Our park system is peculiarly adapted to assist in summer convention entertaining. Lum park has a large pavilion near Rice Lake suitable for convention sessions. A bandstand is near and the beach has all bathing conveniences. Leon E. Lum has recently added to the acreage of the park until the area is now over 40 acres.

Gregory park downtown has a band stand and it is here where the municipal band usually gives its summer concerts. Besides this band Braierd also has a boys' band and ladies' band. The tourist park last year had over 4,000 visitors registered, and its conveniences have already been described. Large conventions entertained by Braierd in the past include the Northern Minnesota Editorial association, State Federation of Women's Clubs, State Firemen's Association, State Federation of Labor, State Dairymen's association, Northern Minnesota Development Association, etc.

With its 22 flourishing churches Braierd entertains many church gatherings, district conferences, etc. The state Sunday school association

recently met here. Braierd has so many phases that this "Braierd Night" program cannot take care of all. Gold Medal Station WCCO will be asked in the near future to permit the Braierd Musical club to put on a program, and the churches of Braierd may also desire to put on a program disclosing the scholarship of its pastors and the musical talents of its choirs, choruses and soloists.

Braierd is noted in other beyond the literary, churchly and musical fields, and that is in open air sports. It is the birthplace of Joe Buller Bush and Chief Charles Bender. Bush has played in five world's series. In one season Bush played his way from the sandlots of Braierd to Missoula, Montana, and then to Connie Mack of the Philadelphia Athletics. Bush is a pitcher with a good batting eye, especially good as a pinch hitter, and his acquisition will bolster up the St. Louis Browns to pennant winning proportions. And when the Browns battle the Yanks with Bush in the box, it will be a game worth going miles to see.

We wired Bush for a message to give the fans on "Braierd Night" and from his home in Oak Lane, Philadelphia, Braierd's native son, Joe Buller, said:

"Wish you would tell the fans and my friends that I am enjoying the best of health and my arm is in the best of shape and that I really expect to have one of my best seasons in 1925. I haven't the slightest objections to going to St. Louis, for Mr. Ball, owner of the St. Louis club, is one of the finest men in baseball."

"I have a warm spot in my heart for my friends and followers who have always taken a deep interest in my baseball career and I want to thank them for their loyalty to me."

"It would make me very happy if some day this coming season I could step out on the mound to pitch and have my friends and loyal rooters in the stands to root for me as they did in the good old days years ago. So I take this opportunity to invite you one and all to come to St. Louis this coming season and I will receive you with open arms."

BRAINERD BOY'S STRONG MEMORY

Marvin Miller in Giant Feats of Memory Shows Remarkable Ability Hard to Comprehend

HUMAN PHONE DIRECTORY

Claims to Have Memory System All His Own, But Cannot Explain It Clearly to Others

Marvin Miller, son of Mr. and Mrs. Jerry Miller of 1409 Norwood street Braierd, possesses a wonderful memory, according to an account in the Verndale Sun, where the family formerly resided. The young man is now employed by the Northwestern Bell Telephone Company at Fargo.

According to the account in the Sun, Mr. Miller can add figures to any extent. One of his feats is to have a list of 15 or more words and columns of figures given him, after which he can give the total of the numbers, and repeat the words both forward and backward and give the position of any word or set of figures.

Asked about his system, he said: "I know myself what my system is but cannot tell it to others." At present he is memorizing the names, addresses, and telephone numbers of all the patrons of the Fargo exchange, and intends to have it completed in about two weeks. His brother, Ivan O. Miller, also possesses a wonderful memory.

BRAINERD HOST TO MEDICAL SOCIETY

The Upper Mississippi Medical Society is holding its annual convention at the Chamber of Commerce rooms this afternoon.

A number of delegates from this district are in attendance. Preceding the convention, a meeting of local doctors was held, as an executive committee of the Northern Minnesota Medical association.

BRAINERD MEN ATTEND Y MEET

George E. Lowe and Alfred Dillan of Local Y. M. C. A. Well Pleased With the Session

STATE WELL REPRESENTED

Annual Convention of Minnesota Association Was Held at Central Y Building, Minneapolis

The annual meeting of the state Y. M. C. A. convention ended with a banquet in the Central Y. M. C. A. of Minneapolis, at which Dr. John C. Acheson, president of Macalester college spoke. Dr. Acheson was the presiding officer of the constitutional convention of the Y. M. C. A. held at Cleveland in 1923.

Geo. E. Lowe, president of the Braierd association, represented this association at a meeting of the apportionment committee, held in the morning, for the purpose of apportioning the budget of the state committee for state work, association college, and the home work of the Y. M. C. A. The report of the committee as applied to the Braierd association will be made at the meeting of the board of directors next Tuesday night.

At noon the state committee met at luncheon; with the chairman, B. F. Benson of Minneapolis, presiding. E. J. Couper of Minneapolis, and Pres. Maxwell of the Winona State Teachers College, reported on the meeting of the first National Council, held at Buffalo in December. The National Council takes over the entire charge of the American Y. M. C. A. work, and presents for the first time a unified body for administration.

The state convention held its first session at 2:00 o'clock, with men from all associations in the state, and several outside workers attending, including Pres. Burt of the Association College at Chicago, E. W. Brandenburg, Boys' Work Secretary for the central region, and S. Wirt Wiley, General Secretary of the Minneapolis Y. M. C. A. until his recent appointment as Associate Secretary to John R. Mott, to be in charge of the Home Work department of the National Council. Mr. Wiley gave a report on the working of the Y. M. C. A. work under the National Council.

The convention adopted the resolutions of the State Committee regarding apportionment. Following the convention meeting, the two regions of Minnesota met. Thos. Owens of Two Harbors presiding over the meeting of the Northern region, L. S. Headley of St. Paul was elected a member of the National Council from this region, succeeding Mr. Lilley, also of St. Paul. The Southern

WALTER WIELAND OPENS PROGRAM

County Attorney Tells About His Home Town in Opening Number of Radio Program

BROADCASTED FROM WCCO

Closes His Address With an Invitation to His Listeners to Visit the City of Pines

Brainerd Night's program, broadcasted from the Gold Medal station on Friday evening, was opened with an address, "Brainerd and Its Resources," delivered by County Attorney Walter F. Wieland. This five-minute speech is given herewith:

Through the courtesy of Gold Medal Station WCCO, Minneapolis-St. Paul, the privilege has been extended to me and my neighbors in Brainerd "to tell the world," if I may be permitted to use a somewhat modern expression, about our home town, Brainerd, Minnesota.

The 10,000 inhabitants of Brainerd live in almost the geographical center of the State of Minnesota, at the junction of the line of the Northern Pacific extending north from St. Paul and Minneapolis, and a line of the same railroad projected from Duluth, westerly, and at the southern terminus of the Minnesota & International railroad which runs north from Brainerd to the Canadian border. Its exact location was determined in 1870 when the surveyors who were laying out the route of what is now the Northern Pacific railroad, were traveling westerly from Duluth and endeavoring to find a suitable place to cross the Mississippi river, and for a year was known as "The Crossing."

The original townsite of Brainerd was laid out in a dense pine forest by the Lake Superior & Puget Sound Company in 1870 and Brainerd was given its name because that was the maiden name of the wife of former Governor J. Gregory Smith of Vermont, and the first president of reorganized Northern Pacific railway company. But, enough of history! It has its value but the people of Brainerd are forward looking people and we are living in the present and looking forward with high hopes to the future.

Brainerd has 22 churches, a Salvation Army and a Y. M. C. A. It has two service clubs, Rotary and the Lions. It has an active Chamber of Commerce maintaining commodious quarters where the visiting vacationists, may always obtain complete information as to the summer resorts, the lakes and the roads. It has an active Country club which maintains a nine-hole golf course where all summer tourists are more than welcome. Some of the other active civic clubs are the Garden & Flower club, the Northeast Brainerd Improvement League, the Crow Wing Game & Fish Protective League, the League of Women Voters and the Brainerd Musical club with a membership of over 400. This club, every two weeks during the fall, winter and spring seasons, presents delightful concerts for its members and the public and brings to Brainerd many artists or reputation and ability.

The largest industry in Brainerd is the Northern Pacific railroad shops which is the largest shops on that great transcontinental system and employs normally 1,200 men. The next largest industry is a thoroughly modern pulp and paper mill owned by the Northwest Paper company. A visit to this mill is very interesting, as the visitor will here be shown the latest processes in converting the spruce log to the large rolls of finished paper. There is a sash and door factory and the Brainerd Foundry company serving Brainerd and Northern Minnesota. There are two creameries, one of which is a large, new, modern plant and is owned and operated very successfully on a cooperative basis. The wholesale houses adequately serve the public East, West and North of Brainerd. The general offices of the Minnesota & International railroad are in Brainerd.

Brainerd has over 2,000 children attending excellently operated schools. We also have a public library and a thoroughly modern Postoffice, Court House and City Hall, as well as many miles of paved streets. Brainerd has two parks, one in the heart of the residence district and one of forty acres on the shore of Rice lake at the outskirts of the city where there is excellent bathing, boating and recreational advantages.

The electric and water systems of Brainerd are municipally owned and are thoroughly modern and carefully operated. There is cheap water power for the manufacturer. Water is obtained from deep wells and requires no treatment for industrial use or human consumption.

Brainerd is at the junction of four State Trunk Highways. When you drive to Brainerd next summer for your vacation, as you are now cordially invited to do, if you are coming from the Twin Cities or points south, take State Trunk Highway No. 2 to St. Cloud and State Trunk Highway No. 27 from St. Cloud. All this road is paved except the last 25 miles. If you prefer an excellent gravel road and a drive of approximately 30 miles of exquisite beauty along Mille Lacs lake, leave State Trunk Highway No. 2 at Elk River and travel into Brainerd on State Trunk Highway No. 18. If you are traveling from Duluth, or from Red River Valley points, take State Trunk Highway No. 2.

When you arrive, spend a few days at Brainerd's Tourist Park situated in a pine grove overlooking the Mississippi river. There you will find a courteous caretaker in charge day and night, hot and cold water shower baths, canopy covered lunch tables, camping stoves or gas stoves as you prefer and a pavilion with reading

room and long distance telephone. While there, visit our many lakes close at hand and the Cuyuna iron range where may be seen the open pit and underground mining operations.

Brainerd is the Gateway City to the region of the 10,000 lakes. It has also been aptly named the City of Pines for the southern limits of Brainerd are also the southern limits of the natural pine forests extending north to the Canadian border.

So in behalf of the people of the City of Brainerd, I invite you to visit us next summer and to take your vacation in one of the most wonderful playgrounds in the whole world, the lake and pine district of northern Minnesota.

BRAINERD AS A CONVENTION CITY

Brainerd Way of Entertaining Conventions Explained Over Radio in WCCO Program

BY JOHN A. HOFFBAUER

City to Entertain Several Important Association Conventions During the Present Year

Brainerd centrally located in the state is an ideal city for conventions, was the theme of the address delivered by John A. Hoffbauer, of The Dispatch, chairman of the convention committee of the Brainerd Chamber of Commerce, as a part of the Brainerd Night program broadcasted by radio from the Gold Medal station, WCCO, Minneapolis-St. Paul. This address follows:

Brainerd, situated in the center of Minnesota, is easy of access by rail and state highways. It is an ideal convention city and the summer season holds special charms. Shimmering lakes, wonderful fishing, boating, bathing, automobile driving, recreation. In addition to Brainerd's hotel service, one finds resorts at the nearby lakes, from the humblest, where just plain comfort is the keynote, to the most modern like Captain William H. Fawcett's Breezy Point Lodge on Big Pelican lake, where close to a half million dollars has been invested.

And Brainerd can well take care of the Elks state convention set for August this year. A housing committee will list hotels and private rooms in the city, resorts and cottages of the lake region. An executive convention committee named shortly after Brainerd secured the convention, is working zealously amassing a convention fund. There will be wonderful band concerts, the Elks parade, the lakes with all their attractions, fish just waiting to be hooked, golf and trapshooting tournaments, visits at the mines. It will be an era of good fellowship, of sight seeing, a reunion, and a period of recreation of untold value to all Elks participating. The convention will overlap state boundaries and special trains are expected bringing visitors from Omaha, Chicago, Detroit and other eastern points.

The Northern Minnesota Medical society convention comes also in August and was secured by Drs. J. A. Thabes and R. A. Beise. Some 200 doctors and their families are expected, and like the Elks, they will enjoy pleasure and recreation in this lake region.

Our park system is peculiarly adapted to assist in summer convention entertaining. Lum park has a large pavilion near Rice Lake suitable for convention sessions. A bandstand is near and the beach has all bathing conveniences. Leon E. Lum has recently added to the acreage of the park until the area is now over 40 acres.

Gregory park downtown has a band stand and it is here where the municipal band usually gives its summer concerts. Besides this band Brainerd also has a boys' band and ladies' band. The tourist park last year had over 4,000 visitors registered, and its conveniences have already been described. Large conventions entertained by Brainerd in the past include the Northern Minnesota Editorial association, State Federation of Women's Clubs, State Firemen's Association, State Federation of Labor, State Dairymen's association, Northern Minnesota Development Association, etc.

With its 22 flourishing churches Brainerd entertains many church gatherings, district conferences, etc. The state Sunday school association

recently met here. Brainerd has so many phases that this "Brainerd Night" program cannot take care of all. Gold Medal Station WCCO will be asked in the near future to permit the Brainerd Musical club to put on a program, and the churches of Brainerd may also desire to put on a program disclosing the scholarship of its pastors and the musical talents of its choirs, choruses and soloists.

Brainerd is noted in other beyond the literary, churchly and musical fields, and that is in open air sports. It is the birthplace of Joe Bullet Bush and Chief Charles Bender. Bush has played in five world's series. In one season Bush played his way from the sandlots of Brainerd to Missoula, Montana, and then to Connie Mack of the Philadelphia Athletics. Bush is a pitcher with a good batting eye, especially good as a pinch hitter, and his acquisition will bolster up the St. Louis Browns to pennant winning proportions. And when the Browns battle the Yanks with Bush in the box, it will be a game worth going miles to see.

We wired Bush for a message to give the fans on "Brainerd Night" and from his home in Oak Lane, Philadelphia, Brainerd's native son, Joe Bullet, said:

"Wish you would tell the fans and my friends that I am enjoying the best of health and my arm is in the best of shape and that I really expect to have one of my best seasons in 1925. I haven't the slightest objections to going to St. Louis, for Mr. Ball, owner of the St. Louis club, is one of the finest men in baseball."

"I have a warm spot in my heart for my friends and followers who have always taken a deep interest in my baseball career and I want to thank them for their loyalty to me."

"It would make me very happy if some day this coming season I could step out on the mound to pitch and have my friends and loyal rooters in the stands to root for me as they did in the good old days years ago. So I take this opportunity to invite you one and all to come to St. Louis this coming season and I will receive you with open arms."

WHY DO MAGNATES DODGE COURTS?

By HENRY L. FARRELL
(United Press Sports Editor)

New York, Jan. 31.—No more details of the New York Giant scandal last fall will be made known unless Jimmy O'Connell and Cozy Dolan break the silence in which they have wrapped themselves strangely since Commissioner Landis barred them from organized baseball.

Perhaps there are no more details to be given and perhaps there is nothing more to be said, but many baseball fans cannot be convinced that all has been told until a better motive has been produced for the attempted bribe of a Philadelphia player than was brought out in the testimony that the Commissioner released some time ago.

There must have been some purpose in attempting such a dangerous method of winning a ball game with the help of the opposition. There was no motive brought out in the testimony that was published, with the exception of the weird suggestion of Frank Frisch, the captain of the Giants and a college man, that there had been some kidding going on.

Some baseball players must have the idea of some of the club owners that the baseball public will stand for anything when excuses are advanced that such joking around and kidding and things like that are always found on a pennant contending team.

It is hard to believe that Cozy Dolan, a coach on the Giants, who wasn't making half the salary of some of the Giant players, would be so big-hearted as to dig down in his pants for \$500 to pay the player of another team to throw a ball game. Dolan never was known among ball players as being very free with his funds.

Dolan must not have been working alone and it isn't reasonable to believe that he originated the plan of buying the game and tried to put it through alone. Until Dolan is forced to say something more than "I don't remember"—the real facts, if there are some that haven't been disclosed, will remain the same mystery in which the case is now classed.

Commissioner Landis had the opportunity to get the players under oath when District Attorney Banton of New York offered to put the case before the grand jury as an alleged violation of the section of the New York statutes which make it a felony to attempt to bribe a baseball player.

This section was passed in 1921 and it was endorsed, if not actually sponsored, by baseball officials. It seems strange that these baseball officials, when they said they were digging to the very bottom, did not recall that they had a criminal law to help them force the players to refresh their memories to tell the truth.

District Attorney Banton said he would proceed if the Commissioner would furnish him the evidence upon which he could ask for an indictment. If Landis does not accept the invitation to turn over the evidence, it may be that he believes he hasn't a case for the courts, because he said during the world's series that "no court in the world would convict, Frisch, Young and Kelly on that testimony."

RAINBOWS MEET

LITTLE FALLS

FAST GAME PREDICTED FOR NEXT TUESDAY AT LOCAL GYM

The Brainerd Rainbows will meet the fast Little Falls Black Hawks basketball team next Tuesday, Feb. 3rd. This will be the first game played in Brainerd between independent teams this year. Little Falls has a strong team and a great game is expected.

The Little Falls team is composed of the following players: Captain Wanda, Bastien, Haiseth, Tanner, Johnson, Venners and Lepinski. These players are all former high school and college stars.

The Rainbows have put in some hard nights of practice for this game. Every player is tuned high and out for a victory from the down river team.

The Rainbows are made up of the following men: Captain Jones, Day, Lowe, Peterson, Orth, Fitzharris, and Hagberg. Rev. Bollens will referee the game.

As this is one of the very few games that remain to be played on the local court, it is hoped that fans will turn out for the game. The high school team has only one game left in Brainerd, and there will be but few other games, so fans are urged to make the most of those that remain.

GREB OUTPOINTS JIMMY DELANEY

(By United Press)

St. Paul, Jan. 31.—Harry Greb mauled Jimmy Delaney through ten rounds of middleweight fistfights last night, easily winning the popular decision. Delaney's ambition made it a good fight up to the seventh, when he weakened.

CALL 74—WANT ADS

BRAINERD TAKES WADENA'S SCALP IN HARD CONTEST

LOCALS OUT-PLAYED THEIR OP- PONENTS THROUGHOUT ENTIRE GAME

TILT SAID TO RESEMBLE FOOT- BALL MORE THAN BASKET- BALL GAME

In one of the hardest games of the season, the Brainerd high school team defeated the Wadena team last night at Wadena, 6 to 5. The game resembled a football game more than a basketball game. Handicapped to great extent by the small floor, and handicapped further by the inability of the referee to control the game, the players put up a fine game and kept their record clean. All the Brainerd players were skinned up pretty badly, the walls of the playing floor being close and rough.

The local basketball team is doing great things to bring about a good appreciation of the finer points of basketball, they having won all games this season except one at Bemidji. That game was a moral victory, Brainerd outplaying their opponents up to the last four minutes of play. Brainerd has won all games played both here and on other floors except at Bemidji.

For the first time this year Captain Wally Engbretson was held scoreless. Opsahl scored Brainerd's only field goal, the other points being made on fouls.

The score of the game is as follows:

BRAINERD	FG	FT	PF
Engbretson, rf.	0	0	1
Avery, lf.	0	2	0
Opsahl, c.	1	1	0
Dieckhaus, rg.	0	1	2
Tribur, lg.	0	0	1
WADENA	FG	FT	PF
Zosel, rf.	0	1	1
Klaxhile, lf.	1	0	1
Young, c.	1	0	2
Johnson, c.	0	0	1
Jacobson, rg.	0	0	3
Krause, lg.	0	0	3

Other Games

Reports from other basketball games in this district are that Little Falls high school defeated the St. Cloud team at Little Falls, 17 to 7, and that the Athlita team journeyed to Staples and took the latter team into camp to the score of 11 to 10.

Little Falls Team May Enter Northwest Elks Bowling Tournament

A letter has been received by the secretary of the Little Falls Elks lodge from Tony Pleva, secretary of the Elks Northwest Bowling association at Minneapolis, asking that one or more bowling teams representing the Little Falls lodge be entered in the annual Elks tournament which will be staged at Minneapolis from February 13 to 23. The tournament will be rolled at the alleys in the Minneapolis Elks home.

"To date there are only five lodges in the state which have failed to enter a team in the Elks tournament and Little Falls is among this number," writes Mr. Pleva, who is known to many local people from his connection with the company which staged the Elks carnival here in November. "St. Cloud lodge has entered three teams and I am surprised that your lodge has not entered as I have personal knowledge that your organization is one of the liveliest in the state," he continues.

The matter has been turned over to Pete Newman, one of the local Elks star bowlers, who will endeavor to get a team together to enter the tournament. Anyone interested in being a member of such a team is requested to interview Mr. Newman at once as the entry blanks must be

"Dazzy" Vance, Brooklyn's Strike-Out Artist "Pitching In" in Kitchen of His Nebraska Home

Vance, a Nebraska boy, who was chosen last season as the most valuable player in the National League, is not as graceful at housework as on the pitching mound, but he works just as hard. He is shown above helping Mrs. Vance dispose of the dinner dishes in their home at Omaha where he is spending the winter. Their little daughter, Edna, is waiting for her daddy to tell her the bedtime story.

filled out and returned in the near future.—Little Falls Daily Transcript.

BRAINERD GIRLS

DEFEAT CROSBY

LOCALS AVENGE LAST YEAR'S DEFEAT IN LAST NIGHT'S GAME

The Brainerd girls team avenged their defeats of last year at the hands of the Crosby girls, when they defeated the Crosby-Ironton Normal school girls at the Brainerd gymnasium 26-8. Turner was the heavy scorer for the local girls, while Beggs and Michael did good work assisting her by their passing.

Preliminary to the girls game, the Cubs defeated the Hi-Y club in a game featured by the ragged playing of both teams. The score was 18-8. Aro played the best game of anyone on the floor.

NURMI WILL APPEAR IN BOSTON MEET

(By United Press)
Boston, Mass., Jan. 31.—America's greatest track and field stars, with the exception of Willie Ritola and Harold Osborne, are entered in the annual games of the Boston Athletic association here tonight.
Paavo Nurmi, world's greatest runner, is expected to appear in one of the features of the 20-event card. Nurmi, if he is recovered from a cold, will attempt to break the 2-mile record held by Jole Rey.

LOW LAKE LEVELS ARE NOT CAUSED BY DRAINAGE PROGRAM

St. Paul, Jan. 31.—Lowered lake levels of Minnesota lakes can hardly be caused by the state's drainage program, in the opinion of Paul N. Coates, Ramsey county engineer.

Mr. Coates discussed the question of Minnesota's lowered lake levels before a meeting of the Professional Men's club at the Saint Paul hotel yesterday. His opinions were given in response to questions put by E. V. Willard, state drainage commissioner, also a member of the club.

Drainage generally, Mr. Coates told the members of the club, is helpful to keeping the lakes at a normal level. In most cases where land is drained, Mr. Coates offered in explanation of his view, the waterfall is carried directly to an adjacent lake, thus raising slightly the level of the adjacent lake.

Mr. Willard's questioning was pro-

moted, he explained, by the recent criticism that the state's drainage program was largely responsible for the lowered lake levels throughout the state.

INSANITY CLAIM IN EMRICH CASE CONTINUES MON.

PROSECUTION HAS HURRIED ITS SIDE OF THE TRIAL

DEFENDANT BREAKS DOWN AS PLEA OF INSANITY IS MADE

(By United Press)
Minneapolis, Jan. 31.—The insanity defense of Henry Emrich, charged with the murder of Harvey Daniels, will be resumed in Judge W. W. Bardwell's court Monday.

There was no session of court today. When Attorney H. J. Maxfield opened the defense yesterday with a plea of insanity, Emrich showed his first sign of emotion. He cried.

The prosecution had hurried through with its case, witnesses testifying that they saw Emrich leaving Daniels' office with a revolver in his hand on a stairway. Ernest Cary and Louis Meshbaker testified that Emrich said: "Yes, I shot him."

An outline of the dealings of Emrich with Daniels in real estate was drawn for the jurors. His health was poor, and Emrich suffering from neuritis, rheumatism and other illnesses, the defense brought out. Emrich had not been "quite right" since he was struck on the head with a neckyoke some years ago, Attorney Maxfield said.

George Roberts and Clarence Drake testified that Emrich brooded over financial difficulties. Hearing of the case will be resumed Monday with the calling of more witnesses.

IF BACK HURTS FLUSH KIDNEYS

Drink Plenty Water and Take Glass of Salts Before Breakfast Occasionally

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts, year.—Advt.

DO YOU KNOW WHY --- There's So Much Red Tape About Seeing The Real Boss?

Drawn for this paper By Fisher

WHY DO MAGNATES DODGE COURTS?

By HENRY L. FARRELL
(United Press Sports Editor)

New York, Jan. 31.—No more details of the New York Giant scandal last fall will be made known unless Jimmy O'Connell and Cozy Dolan break the silence in which they have wrapped themselves strangely since Commissioner Landis barred them from organized baseball.

Perhaps there are no more details to be given and perhaps there is nothing more to be said, but many baseball fans cannot be convinced that all has been told until a better motive has been produced for the attempted bribe of a Philadelphia player than was brought out in the testimony that the Commissioner released some time ago.

There must have been some purpose in attempting such a dangerous method of winning a ball game with the help of the opposition. There was no motive brought out in the testimony that was published, with the exception of the wild suggestion of Frank Frisch, the captain of the Giants and a college man, that there had been some kidding going on.

Some baseball players must have the idea of some of the club owners that the baseball public will stand for anything when excuses are advanced that such joking around and kidding and things like that are always found on a pennant contending team.

It is hard to believe that Cozy Dolan, a coach on the Giants, who wasn't making half the salary of some of the Giant players, would be so big-hearted as to dig down in his pants for \$500 to pay the player of another team to throw a ball game. Dolan never was known among ball players as being very free with his funds.

Dolan must not have been working alone and it isn't reasonable to believe that he originated the plan of buying the game and tried to put it through alone. Until Dolan is forced to say something more than "I don't remember"—the real facts, if there are some that haven't been disclosed, will remain the same mystery in which the case is now classed.

Commissioner Landis had the opportunity to get the players under oath when District Attorney Banton of New York offered to put the case before the grand jury as an alleged violation of the section of the New York statutes which make it a felony to attempt to bribe a baseball player.

This section was passed in 1921 and it was endorsed, if not actually sponsored, by baseball officials. It seems strange that these baseball officials, when they said they were digging to the very bottom, did not recall that they had a criminal law to help them force the players to refresh their memories to tell the truth.

District Attorney Banton said he would proceed if the Commissioner would furnish him the evidence upon which he could ask for an indictment. If Landis does not accept the invitation to turn over the evidence, it may be that he believes he hasn't a case for the courts, because he said during the world's series that "no court in the world would convict Frisch, Young and Kelly on that testimony."

RAINBOWS MEET
